Gentlemen:

We have audited the accompanying balance sheets of Cambridge International Partners Inc. as of December 31, 2006 and 2005 and the related statements of operations, retained earnings and cash flows for the years then ended. The financial statements are the responsibility of the company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Cambridge International Partners Inc. as of December 31, 2006 and 2005 and the results of its operations and its cash flows for the year then ended in conformity with generally accepted accounting principles accepted in the United States of America.

Independent Auditor's Report on Internal Controls Required by SEC Rule 17a-5

Since the activities of Cambridge International Partners Inc. are limited to the provisions of merger and acquisition advisory services only and since the company claims exemption from the provisions of Sec Rule 15c3-3 the Company's internal controls and their adequacy in relation to SEC Rule 17a5(q) have been reviewed only in the context of the limited scope of the firm's securities- related activities as described below:

- I. Cambridge's Securities-related activities are strictly limited to the provision of merger and acquisition advice to sophisticated (mostly institutional) clients. While approved to conduct private placement activities, Cambridge has never provided those services and has no current intention of doing so.
- II. Cambridge does not hold, take delivery of, take possession or custody of, or otherwise control or hold power of attorney over any securities or cash or any other asset for or on behalf of its clients or any other third party.
- III. Cambridge does not act as agent for any third party in the sale or purchase of any security. In providing its advisory services pursuant to its engagement agreements, and otherwise, Cambridge is never empowered to authorize, or otherwise commit its clients or any other third party to, the sale or purchase of any security.
- IV. Cambridge does not act as principal or agent in any securities transactions of any kind except to the extent of investing its own undistributed cash in money market accounts, treasury bills or similar short-term fixed income instruments.

Within the scope of the Company's activities as described above we believe that the Company's practices procedures and internal controls were adequate as at December 31, 2006 to meet the SEC's objectives described in Rule 17A-5

Nothing has come to our attention as of December 31, 2006, which would indicate the Company was not in compliance with the exemption from Rule 15c3-3.
