ARE AN INTEGRAL PART OF THIS STATEMENT

JANSSEN PARTNERS, INC.  
NOTES TO STATEMENT OF FINANCIAL CONDITION  
DECEMBER 31, 2006

NOTE 1 - PRINCIPAL BUSINESS ACTIVITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Janssen Partners, Inc. (the "Company") was incorporated on August 29, 1997 in the State of Delaware. The Company is a broker-dealer registered with the Securities and Exchange Commission (the "SEC") and is a member of the National Association of Securities Dealers, Inc.

The Company acts as an introducing broker, an agent in the private placements of securities and provides consulting services.

As an introducing broker-dealer, the Company is exempt from the provisions of rule 15c3-3 as all customer accounts, as defined, are carried by the clearing broker.

These financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America which require the use of estimates by management.

Securities owned, traded on a national securities exchange or listed on the Nasdaq National Market are valued at the last reported sales price on the last business day of the year. All other securities owned are valued at the last reported bid and ask prices, respectively, with the resulting unrealized gains and losses reflected in income.

Included in securities owned are \$32,326 of securities which do not have a ready market. These securities have been valued at fair value using methods determined in good faith by management after consideration of all pertinent information. Because of the inherent uncertainty of valuation of these securities, management's estimate of fair value may differ from those that would have been used had a ready market existed, and the differences could be material.

These financial statements reflect income from security transactions and commissions on customers' security transactions on a trade-date basis.

Depreciation of property and equipment is provided for based upon the straight-line method over the estimated useful life of the assets, under the federal income tax method.

For federal income tax purposes, the Company has elected to be treated as a small business corporation (S Corporation) under the applicable sections of the Internal Revenue Code. Accordingly, there is no provision for federal income taxes as such earnings or losses flow through directly to the stockholder. State taxes are payable at reduced rates.

JANSSEN PARTNERS, INC.  
NOTES TO STATEMENT OF FINANCIAL CONDITION  
DECEMBER 31, 2006 (CONT'D.)

NOTE 2 - COMMITMENTS AND CONTINGENCIES

The Corporation operates in premises owned by a corporation wholly owned by its sole stockholder.

We have been advised by counsel for the Corporation that an action in Supreme Court, State of New York, County of Nassau, called Underberg v. Chromatic Color Sciences, Peter Janssen and Janssen Partners, alleging damages of Fifty Thousand Dollars was dismissed in favor of Janssen Partners and Peter Janssen, individually, due to failure of plaintiff's attorney to answer motion to dismiss. Subsequently the judge allowed plaintiff's attorney to re-open the case. It is currently waiting a motion to dismiss. There are no pending or threatened actions which could have an adverse impact on the respondent.

NOTE 3 - FINANCIAL INSTRUMENTS WITH OFF-BALANCE-SHEET RISK AND CONCENTRATION OF CREDIT RISK:

In the normal course of business, the Company is engaged in various trading and brokerage activities as principal or agent. The execution, settlement and financing of those transactions can result in off-balance-sheet risk or concentration of credit risk.

NOTE 4 - NET CAPITAL REQUIREMENT:

The Company is subject to the SEC's Uniform Net Capital Rule 15c3-1, which requires the maintenance of minimum capital of 6-2/3% of aggregate indebtedness, as defined, or \$5,000, whichever is greater, and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2006, the Company had net capital of \$130,992, which was \$125,992 in excess of its required net capital of \$5,000.
