Board of Directors
ACA/PRUDENT INVESTORS PLANNING CORPORATION
Green Brook, New Jersey

We have audited the accompanying balance sheet of ACA/PRUDENT INVESTORS PLANNING CORPORATION as of December 31, 2006, and the related statements of operations, shareholder's equity and cash flows for the year then ended. The financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of ACA/PRUDENT INVESTORS PLANNING CORPORATION as of December 31, 2006, and the results of its operations and its cash flows and its equity for the year then ended in conformity with generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental information presented at the end of the financial statements is for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

In addition, we have also issued a report dated January 23, 2007 on our consideration of ACA/PRUDENT INVESTORS PLANNING CORPORATION'S internal control structure based on the audit of the financial statements.

ACA/PRUDENT INVESTORS PLANNING CORPORATION

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2006

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization: ACA/Prudent Investors Planning Corporation is a securities brokerage firm and is a member of the National Association of Securities Dealers.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

Cash and Cash Equivalents: For the purposes of the statement of cash flows, the Company considers all highly liquid debt instruments purchased with a maturity date of twelve months or less to be cash equivalents. The Company holds a seven month certificate of deposit earning 4.91% interest per annum, which is due to mature on May 26, 2007. The total value of the certificate as of December 31, 2006 is \$100,822, of which \$822 is interest earned and would be subject to forfeiture if redeemed before its maturity date.

Income Taxes: The Company has elected to be taxed under the provisions of Subchapter S of the Internal Revenue Code. Under those provisions, the Company does not pay federal corporate income taxes on its taxable income. Instead, the stockholder is liable for individual federal income tax on the taxable income.

Furniture & Office Equipment: Property and office equipment are stated at cost. Depreciation is computed using the straight-line method at rates sufficient to write off the cost of the applicable assets over their estimated useful lives.

NOTE 2 NET CAPITAL REQUIREMENTS

Pursuant to the net capital provisions of the Rule 15c-3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined, of the greater of \$5,000 or one-fifteenth of the aggregate indebtedness, as defined. Net capital and aggregate indebtedness, change from day-to-day, but as of December 31, 2006, the Company had net capital which exceeded its requirements by \$202,464.

NOTE 3 PENSION PLANS

The Company maintains a defined contribution pension plan for employees that have met certain employment requirements. Contributions to the plan are discretionary and the amount of future contributions is not certain. Employee pension expense for 2006 was \$14,664.

The Company also maintains a deferred compensation 401(k) plan for qualifying employees and accrues a limited matching contribution to the plan based upon the level of individual employee contributions, up to 4% of the employees qualifying salary. Compensation deferral plan contributions expense for 2006 was \$14,472.

NOTE 4 OPERATING LEASES

The Company leases office space in Green Brook, NJ. The lease agreement began in May 2003 and the total expense for this location for 2006 was \$30,140. The lease commitment is for 5 years with an option to renew for an additional three years under various options.

Future minimum lease payments under the lease agreement for the years ending December 31, are as follows:

2007	\$29,580
2008	<u>9,880</u>
Total	<u>\$39,460</u>

ACA/PRUDENT INVESTORS PLANNING CORPORATION

**COMPUTATION OF NET CAPITAL AGGREGATE INDEBTEDNESS
AND RATIO OF AGGREGATE INDEBTEDNESS TO NET CAPITAL
AS AT DECEMBER 31, 2006**

Stockholder's Capital	\$ 292,114
Less Non-Allowable Assets:	
Commissions Receivable	(54,386)
Prepaid Expenses	(14,854)
Furniture & Office Equipment(net of accumulated depreciation)	(9,758)
Interest Earned on Certificate of Deposit	(822)
Security Deposits	<u>(4,830)</u>
Net Capital	207,464
Net Capital Requirement (1/15 of aggregate indebtedness or \$5,000 Minimum Net Dollar Requirement, whichever Is Greater)	<u>5,000</u>
Net Capital In Excess of Required Amount	<u><u>\$ 202,464</u></u>
Ratio of Aggregate Indebtedness To Net Capital	<u><u>0.043</u></u>

Note: The above amount does not differ materially from the computation of new net capital under rules 15c3-1 as of December 31, 2006 filed with the National Association of Securities Dealers, Inc.

See Independent Auditors' Report.

**INDEPENDENT AUDITORS' REPORT ON
INTERNAL CONTROL STRUCTURE**

January 23, 2007

ACA/Prudent Investors Planning Corporation
239 Route 22 East
Green Brook, NJ 08812

Gentlemen:

In planning and performing our audit of the financial statements of ACA/Prudent Investors Planning Corporation for the year ended December 31, 2006, we considered its internal control structure, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

Also, as required by Rule 17a-5(g) (1) of the Securities and Exchange Commission, I have made a study of the practices and procedures (including tests of compliance with such practices and procedures) followed by ACA/Prudent Investors Planning Corporation that I considered relevant to the objectives stated in Rule 17a-5(g).(i) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(s) (ii). We did not review the practices and procedures followed by the Company in complying with the requirements for prompt payment for securities under Section 8 (b) of Regulation T of the Board of Governors of the Federal Reserve System because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities.

The management of the Company is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgements by management are required to assess the expected benefits and related costs of internal control structure policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to

achieve the Commission's above mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with generally accepted accounting principles.

Because of inherent limitations in any internal control structure or the practices and procedures referred to above, errors or irregularities may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, I noted no matters involving the internal control structure that I consider to be material weaknesses as defined above.

I understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on my study, I believe that the Company's practices and procedures were adequate at December 31, 2006 to meet the Commission's objectives.

Luis & Luis CPAs, P.C.

See Independent Auditors' Report.
