**INDEPENDENT AUDITORS' REPORT**

To the Stockholders of The Sturges Company

We have audited the accompanying statement of financial condition of The Sturges Company (the Company) as of December 31, 2006. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted the audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion the statement of financial condition referred to above presents fairly, in all material respects, the financial position of The Sturges Company at December 31, 2006 in conformity with accounting principles generally accepted in the United States of America.
