Jeffrey Joslin
dba StockTraders
Huntington Beach, CA

ACCOUNTANT'S AUDIT REPORT

I have audited the accompanying balance sheet of Jeffrey Joslin, dba StockTraders (a sole proprietorship) as of December 31, 2006, and the related statements of income, cash flows, sole proprietor's equity, and changes in liability subordinated to claims of general creditors for the twelve months then ended. These financial statements are the responsibility of StockTraders. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of Jeffrey Joslin, dba StockTraders, as of December 31, 2006, and the results of its operations and the changes in its financial position for the twelve months then ended in conformity with generally accepted accounting principles.

The accompanying financial statements have been prepared solely from the accounts of Jeffrey Joslin, and do not include the personal accounts of the owner or those of any other operations in which he is engaged. Federal taxes on income of the owner are computed on his total income from all sources; accordingly, no provision for such taxes is included in these statements.

LINDA Y. COX, CPA
Garden Grove, CA

StockTraders
Notes to Financial Statements
December 31, 2006

Note 1. BACKGROUND

Jeffrey Joslin, dba StockTraders (a sole proprietorship), is an introducing brokerage company in Huntington Beach, California, which started operations on June 1, 1995. Introducing broker/dealers place all transactions through other registered broker/dealers, fully disclosing all of its customer accounts to the clearing firm, and does not clear transactions nor carry customer accounts. Clearing brokers are responsible for holding the securities of the customer and for furnishing customers with statements regarding their accounts.

StockTraders is registered with the SEC (Securities & Exchange Commission), NASD (National Association of Stock Dealers), SIPC (Securities Investor Protection Corporation) and with the State of California, Department of Corporations.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The company maintains its books on the accrual method of accounting recognizing income when earned and expenses when incurred.

The cost of property and equipment are stated at cost. Depreciation for financial statement purposes is computed on the straight-line basis over the estimated useful lives of the assets, ranging from five to seven years (see footnote 5).

Note 3. CASH AND CASH EQUIVALENTS

Pursuant to contract terms between StockTraders and Southwest Securities, Inc. (a clearing broker), a minimum balance of \$10,000 must be maintained in Stocktrader's Southwest Securities, Inc. cash accounts at all times. The minimum balance is subject to change at the discretion of Southwest Securities, Inc. based upon StockTraders sales volume, business mix, or other risks. Upon termination of the relationship, funds will be released to StockTraders after all account debits and liabilities are satisfied.

Funds in the money market account are shown at cost, which approximates market value. Money market funds are mutual funds whose underlying securities are very short-term money market instruments invested in private or government securities that are highly liquid and low risk. Money market funds are not federally insured.

Note 4. SECURITY DEPOSIT/OFFICE LEASE

The \$735 security deposit will be returned to StockTraders upon termination of the office lease per agreement between lessor and lessee. Future lease payments will be \$729 per month, with seventeen months remaining on the lease. The total contingent liability for the remaining lease is \$8,748 for 2007, and \$3,645 for 2008.

See Accountant's Audit Report

StockTraders
Notes to Financial Statements
December 31, 2006

Note 5. DEPRECIATION

Depreciation for the year amounted to \$26.

	<u>Estimated Useful Life</u>	<u>Cost</u>
Computer Equipment	5	\$ 621
Furniture & Equipment	7	<u>1,806</u>
Total		2,427
Less Accumulated Depreciation		<u>(2,413)</u>
Fixed assets net of accumulated depreciation		<u>\$ 14</u>

Note 6. COMMISSIONS EARNED

All trading commissions are received through clearing brokers (see footnote 1). Net commission checks are received after clearing, execution and other fees have been deducted by the clearing broker.

Note 7. CAPITALIZATION REQUIREMENTS

Brokers or dealers who introduce customer accounts (introducing brokers) are required to maintain net capital of \$50,000 during the period that they engage in the sale of securities. The NASD under SEC Rule 17a-11 places an additional requirement on its members requiring capitalization at 120% of the minimum net capitalization requirement, or \$60,000. StockTraders net capital at December 31, 2006 of \$179,710 was in compliance with the minimum net capitalization requirements. For a detailed analysis of net capital, see Supplemental Schedule #1 which is a part of these audited financial statements.

ACCOUNTANT'S AUDIT REPORT ON SUPPLEMENTARY INFORMATION

The accompanying supplementary information contained in the following pages is presented for purposes of additional analysis and has been subjected to the same inquiries and analytical procedures applied in the audit of the basic financial statements. All information contained therein is the responsibility of StockTraders. In my opinion the schedules present fairly, in all material respects, the compliance with special regulatory requirements by StockTraders as of December 31, 2006.

LINDA Y. COX

**StockTraders
Supplemental Schedule #3
December 31, 2006**

SPECIAL RESERVE BANK ACCOUNT

StockTraders is exempt from the 15c3-3 provisions under paragraph K-2-ii which requires non-clearing fully disclosed broker/dealers to fund a special reserve bank account to meet possible future claims in the event of a company's liquidation.

See Accountant's Audit Report

**StockTraders
Supplemental Schedule #4
December 31, 2006**

STATUS OF MEMBERSHIP IN SIPC

StockTraders is a member of the SIPC, but is exempt from filing a separate audited statement regarding its membership in the SIPC under SEC Rule 17a-5(e)(4). Companies who must submit audited financial statements and have gross revenues less than \$500,000 are not required to file a supplemental independent public accountant's report covering Form SIPC-7. The minimum assessment for membership of \$150, was paid by StockTraders in accordance with the applicable instructions for Form SIPC-4.

See Accountant's Audit Report

StockTraders
Supplemental Schedule #5
December 31, 2006

REPORT ON INTERNAL ACCOUNTING CONTROL
REQUIRED BY SEC RULE 17a-5

In planning and performing my audit of the financial statements and supplemental schedules of StockTraders (the Company), for the year ended December 31, 2006, I considered its internal control, including control activities for safeguarding securities, in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on internal control.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

My consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, I noted no matters involving the internal control structure, including procedures for safeguarding securities that I consider to be a material weakness as defined above.

As required by Rule 17a-5(g)(1) of the Securities and Exchange Commission, I have made a study of the practices and procedures (including tests of compliance with such practices and procedures) followed by the Company that I considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and in complying with the conditions of exemptions from Rule 15c3-3. I did not review the practices and procedures followed by the Company in making the quarterly securities examinations, counts, verifications, and comparisons, and the recordation of differences required by Rule 17a-13 or in complying with the requirements for prompt payment of securities under section 8 of Regulation T of the Board of Governors of the Federal Reserve System, because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures and of the practices and procedures referred to in

See Accountant's Audit Report

the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above-mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

It is understood that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on my study, I believe the Company's practices and procedures were adequate at December 31, 2006, to meet the SEC's objectives. In addition, the Company was in compliance with the exemptive provisions of Rule 15c3-3 at December 31, 2006, and further, no facts came to my attention indicating that the Company was not in compliance with such conditions during the year ended December 31, 2006.

This report is intended solely for the information and use of the Board of Directors, management, the Securities and Exchange Commission and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

See Accountant's Audit Report
