### Independent Auditor's Report

Board of Directors  
FED Mutual Financial Services, Inc.  
(A Wholly Owned Subsidiary of Federal Life Insurance Company (Mutual))

We have audited the accompanying statement of financial condition of **FED Mutual Financial Services, Inc.** (a wholly owned subsidiary of Federal Life Insurance Company (Mutual)) as of December 31, 2006, and the related statements of operations, changes in stockholder's equity and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **FED Mutual Financial Services, Inc.** (a wholly owned subsidiary of Federal Life Insurance Company (Mutual)) as of December 31, 2006, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Notes to Financial Statements

Year Ended December 31, 2006

---

## **1. Organization and Summary of Significant Accounting Policies**

### **Organization and Operations**

FED Mutual Financial Services, Inc. (the Company) is a wholly owned subsidiary of Federal Life Insurance Company (Mutual) ("Federal Life"). The Company is a registered broker-dealer and a member of the National Association of Securities Dealers Inc. (NASD) and acts as underwriter and distributor for variable annuity contracts sponsored by Federal Life. The Company is also licensed as a general insurance agency and brokers' insurance business written by Federal Life.

### **Use of Estimates**

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

### **Related Party Transactions**

All of the Company's commission and administration fee income is derived from the sale of insurance products of affiliates.

Federal Life incurs various expenses on behalf of the Company, principally rent and the salaries of personnel who conduct the operations of the Company. The Company accrues \$200 per month to reimburse Federal Life for these expenses.

### **Investment - Common Stock**

The Company, through a private offering, has purchased NASDAQ common stock. The common stock is carried at fair value with any change in fair value reported as unrealized gain (loss) in operations.

### **Income Taxes**

The operations of the Company are included in the life-nonlife consolidated federal income tax return of Federal Life. In accordance with intercompany policy, the Company provides taxes on taxable income or loss based principally on a separate Company tax calculation. As of December 31, 2006, the Company had a deferred tax liability of \$2,019 related to the unrealized gain on investment - common stock. The Company did not pay federal income taxes in 2006.

**FED Mutual Financial Services, Inc.**

Notes to Financial Statements

Year Ended December 31, 2006

---

**2. Net Capital Requirements**

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum amount of net capital as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis. As of December 31, 2006, the Company had net capital of \$18,488, minimum net capital requirements of \$5,000, and a ratio of aggregate indebtedness to net capital of 0.49 to 1. The net capital rules may effectively restrict the payment of cash dividends.

## SUPPLEMENTARY INFORMATION

## FED Mutual Financial Services, Inc.

Computation of Net Capital and Aggregate  
Indebtedness Under Rule 15c3-1

December 31, 2006

<b>Aggregate indebtedness</b>

Ratio of aggregate indebtedness to net capital	<u>.49 to 1</u>

*There were no material differences between the audited computation of net capital included in this report and the corresponding schedule included in the Company's unaudited December 31, 2006, Part IIA FOCUS filing.*

See independent auditor's report regarding supplemental information.

**FED Mutual Financial Services, Inc.**

Statement Relating to Certain Determinations  
Required Under Rule 15c3-3

December 31, 2006

---

The Company is exempt under paragraph (k)(1)(i) of Rule 15c3-3 of the Securities and Exchange Commission rule from the requirement to maintain a "Special Reserve Bank Account for the Exclusive Benefit of Customers."

See independent auditor's report regarding supplemental information.

**Supplemental Report of Independent Auditors on Internal Control**  
**Required by SEC Rule 17a-5**

Board of Directors  
FED Mutual Financial Services, Inc.  
(A Wholly Owned Subsidiary of Federal Life Insurance Company (Mutual))

In planning and performing our audit of the financial statements and supplemental schedules of **FED Mutual Financial Services, Inc.** (the Company), a wholly owned subsidiary of Federal Life Insurance Company (Mutual), for the year ended December 31, 2006, we considered its internal control, including control activities for safeguarding securities, to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements of prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System
3. Obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by Rule 15c3-3

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls, and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities and Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate as of December 31, 2006, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the National Association of Securities Dealers, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
