INDEPENDENT AUDITOR'S REPORT

To the Stockholders
Municipal Capital Markets Group, Inc.

We have audited the accompanying statement of financial condition of Municipal Capital Markets Group, Inc. as of December 31, 2006, and the related statements of income, changes in stockholders' equity, changes in liabilities subordinated to claims of general creditors, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Municipal Capital Markets Group, Inc. as of December 31, 2006, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

A handwritten signature in cursive script that reads 'CF & Co., LLP'.

MUNICIPAL CAPITAL MARKETS GROUP, INC.

Notes to Financial Statements

December 31, 2006

Note 1 - Summary of Accounting Policies

Municipal Capital Markets Group, Inc. (the "Company") is registered with the Securities Exchange Commission ("SEC") and is a member of the National Association of Securities Dealers ("NASD"). The Company is a securities broker-dealer and operates under the exemptive provision of SEC Rule 15c3-3(k)(2)(i). Its primary activity is underwriting bond issues for tax-exempt entities throughout the United States. A summary of the Company's significant accounting policies applied in the preparation of the accompanying financial statements follows.

Cash Equivalents

For purposes of the statement of cash flows, all highly liquid instruments purchased with a maturity of three months or less are considered to be cash equivalents.

Receivable from Broker-Dealers

Receivable from broker-dealers represents cash with the broker-dealer. The Company conducts business with one broker-dealer for its underwriting activities. The Company is subject to credit risk to the extent any broker-dealer with which the Company conducts business is unable to deliver cash balances or securities, or clear security transactions on the Company's behalf. The Company believes the likelihood of loss under these circumstances is remote.

Depreciation and Amortization

Depreciation is provided in amounts sufficient to relate the cost of depreciable or amortizable assets to operations over their estimated service lives. The straight-line method is used over three to seven years.

Goodwill

Goodwill represents the excess of business acquisition costs over the fair value of net assets acquired. The Company has adopted Statement of Financial Accounting Standards No. 142 (SFAS 142), *Goodwill and Intangible Assets*. Under SFAS 142, goodwill and intangible assets with indefinite lives are not amortized, but are tested annually for impairment or more frequently as circumstances dictate.

Revenue Recognition

Revenues from underwriting services are recognized upon successful placement. Revenues from advisory fees are recognized as the services are performed.

MUNICIPAL CAPITAL MARKETS GROUP, INC.
Notes to Financial Statements
December 31, 2006

Note 1 - Summary of Accounting Policies (continued)

Trade/Settlement Date

Transactions in securities and underwritings are recorded on a settlement-date basis, which is three business days after trade date. If materially different, these transactions are recorded on a trade-date basis.

Income Taxes

The Company has elected "S" Corporation status under the Internal Revenue Code, which provides for profits and losses of the Company to be recognized on the stockholders' personal income tax returns for Federal income tax purposes. State income tax expense consists of Texas franchise taxes, Colorado state income taxes, and Minnesota state income taxes.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 2 - Net Capital

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis. At December 31, 2006, the Company had net capital of approximately \$1,206,266 and net capital requirements of \$100,000. The Company's ratio of aggregate indebtedness to net capital was .10 to 1. The Securities and Exchange Commission permits a ratio of no greater than 15 to 1.

Capital distributions to stockholders can be made under a capital distribution policy approved by the Company's board of directors. Periodic distributions approved by the board of directors are made to enable stockholders to pay federal income taxes on Company profits, among other purposes.

MUNICIPAL CAPITAL MARKETS GROUP, INC.
Notes to Financial Statements
December 31, 2006

Note 3 - Possession or Control Requirements

The Company does not have any possession or control of customer funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of (SEC) Rule 15c3-3(k)(2)(i).

Note 4 - Operating Lease

The Company conducts its operations in lease premises under noncancelable operating leases expiring August 31, 2010. At December 31, 2006 minimum future rental payments under leases with initial lease terms greater than one year are as follows:

2007	\$ 47,648
2008	49,137
2009	50,626
2010	<u>33,751</u>
	<u>\$ 181,162</u>

Rent expense under all operating leases was approximately \$108,691 for the year ended December 31, 2006.

Note 5 - Concentration Risk

The Company during the year had concentration of credit risk arising from cash deposits with banks in excess of Federally insured limits.

Note 6 - Related Parties

Two stockholders of the Company serve on the board of directors of another company in which the Company owns warrant valued at \$4,740 to purchase stock.

Note 7 - Subsequent Event

On January 5, 2007, the board of directors voted to make an \$800,000 distribution to stockholders.

Supplementary Information
Pursuant to Rule 17a-5 of the
Securities Exchange Act of 1934
As of December 31, 2006

Independent Auditor's Report

On Internal Control

Required By SEC Rule 17a-5

Year Ended
December 31, 2006

CF & Co., L.L.P.

CERTIFIED PUBLIC ACCOUNTANTS
& CONSULTANTS

INDEPENDENT AUDITOR'S REPORT ON INTERNAL
CONTROL REQUIRED BY SEC RULE 17a-5

To the Stockholders
Municipal Capital Markets Group, Inc.

In planning and performing our audit of the financial statements and supplemental information of Municipal Capital Markets Group, Inc. (the "Company"), for the year ended December 31, 2006, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(1) of the Securities Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons
2. Recordation of differences required by rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives.

Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with accounting principles

generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control elements does not reduce to a relatively low level the risk that errors or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including procedures for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2006, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the National Association of Securities Dealers, Inc., and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

CF & Co., L.L.P.

Dallas, Texas
