Independent Auditors' Report

The Board of Directors
Conservative Financial Services, Inc.:

We have audited the accompanying statement of financial condition of Conservative Financial Services, Inc. (the Company) as of December 31, 2006. The statement of financial condition is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Conservative Financial Services, Inc. at December 31, 2006, in conformity with accounting principles generally accepted in the United States of America.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Conservative Financial Services, Inc. (the Company), a wholly-owned subsidiary of First State Bancshares, Inc., is a broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of the National Association of Securities Dealers (NASD). The Company was incorporated under the laws of Missouri in 1985. The Company operates as a fully-disclosed introducing broker and does not maintain customer accounts or securities.

The accounting and reporting policies of the Company conform to generally accepted accounting principles within the broker-dealer industry. Following is a description of the more significant of the Company's accounting practices:

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statement. Actual results could differ from those estimates.

Premises and Equipment

Premises and equipment are carried at cost less accumulated depreciation. When retired or otherwise disposed of, the original cost and accumulated depreciation are removed from the respective accounts and the net difference, less any amount realized from disposition, is reflected in operations.

Depreciation is computed on the straight-line method for financial reporting purposes as follows: building and improvements – seven to 39 years; furniture and fixtures – five to ten years; computer equipment – three years.

Premises and equipment are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable. In such situations, recoverability of assets to be held and used would be measured by a comparison of the carrying amount of the assets to future net cash flows expected to be generated by the assets. If such assets were considered to be impaired, the impairment to be recognized would be measured by the amount by which the carrying amount of the assets exceeded the fair value of the assets.

Goodwill

The excess of the consideration given in the Company's acquisition by First State Bancshares, Inc. over the fair value of the net assets acquired is recorded as goodwill, which was being amortized into expense through December 31, 2001 on a straight-line basis over 25 years. In June 2001, the Financial Accounting Standards Board issued Statements of Financial Accounting Standards No. 141, *Business Combinations* (FAS 141), and No. 142, *Goodwill and Other*

CONSERVATIVE FINANCIAL SERVICES, INC.

Notes to Statement of Financial Condition

(Continued)

Intangible Assets (FAS 142). FAS 141 requires that the purchase method of accounting be used for all business combinations. FAS 141 also specifies criteria that intangible assets acquired in a business combination must meet to be recognized and reported separately from goodwill. FAS 142 requires that goodwill and intangible assets with indefinite useful lives no longer be amortized, but instead be tested for impairment at least annually. Goodwill is the Company's only intangible asset with an indefinite useful life. Impairment is measured as the excess of carrying value over the fair value of an intangible asset with an indefinite life.

Income Taxes

The Company is included in the consolidated Federal and state income tax returns of First State Bancshares, Inc. Applicable income taxes are computed based on reported income and expenses, adjusted for permanent differences between reported and taxable income. The Company uses the asset and liability method of accounting for income taxes, in which deferred tax assets and liabilities are recognized for the estimated future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using expected tax rates in effect for the year in which those temporary differences are expected to be settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the period which includes the enactment date.

NOTE 2 - PREMISES AND EQUIPMENT

A summary of premises and equipment at December 31, 2006 is as follows:

Land	\$ 30,213
Building and improvements	375,538
Furniture, fixtures, and equipment	<u>238,788</u>
	644,539
Less accumulated depreciation	<u>(274,516)</u>
	\$ <u>370,023</u>

The Company leases office space and certain equipment under noncancelable operating leases with unaffiliated third parties which expire at various dates through March 1, 2007. Minimum rental commitments under these leases for 2007 were \$700.

NOTE 3 - INCOME TAXES

The tax effects of temporary differences which give rise to deferred tax liabilities at December 31, 2006 are all the result of premises and equipment, for which depreciation is computed on an accelerated method for tax reporting purposes and on a straight-line method for financial reporting purposes.

CONSERVATIVE FINANCIAL SERVICES, INC.

Notes to Statement of Financial Condition

NOTE 4 - RELATED PARTY TRANSACTIONS

The Company has advanced Susan M. Evans, an officer of the Company, an insurance premium loan under a split dollar life insurance arrangement. This is a zero interest loan payable on demand. The officer has executed a collateral assignment agreement that provides that the Company will be reimbursed from the policy value an amount equal to the cumulative premium advances upon the occurrence of specific events. Cumulative advances under this agreement to Ms. Evans totaled \$36,000.

NOTE 5 - NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2006, the Company had net capital of \$61,557, which was \$11,557 in excess of its required minimum net capital of \$50,000. The Company's aggregate indebtedness to net capital ratio was 1.60 to 1.

NOTE 6 - COMMITMENTS AND CONTINGENCIES

Company management is unaware of any legal matters that may have arisen in the normal course of business which could result in any material liability to the Company.
