Feil Daily Investment Co.
Tinley Park, IL 60477

I have audited the accompanying statement of financial condition of Feil Daily Investment Co. as of December 31, 2006. This financial statement is the responsibility of the Company's management. My responsibility is to express an opinion on the financial statement based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of Feil Daily Investment Co. as of December 31, 2006, in conformity with accounting principles generally accepted in the United States of America.

Summary of Significant Accounting Policies

Feil Daily Investment Co. operates exclusively as a securities broker/dealer and is accordingly required to abide by all applicable rules and regulations of the Securities and Exchange Commission, the National Association of Securities Dealers and other regulatory bodies.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, as well as the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Securities transactions (and related revenue and expenses) are recorded on the settlement date of the transactions.

Securities owned are valued at quoted market prices consistent with industry practice.

Property and equipment items are stated at cost and are depreciated over their estimated useful lives using the straight-line depreciation method.

Maintenance and repairs are charged to income as incurred.

Feil Daily Investment Co. has elected S Corporation status for Federal income tax purposes. Therefore, net income passes through to the individual shareholders according to the applicable provision of the law. No provision for income taxes has been made consequently, by the Company.

For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments with a maturity of three months or less to be cash equivalents.

Notes Payable Shareholders

During the year ended December 31, 2006, the Company shareholders loaned \$37,200 to the Company to facilitate a request from the Company's clearing broker (First Clearing, LLC) to increase the amount on deposit with the clearing broker from \$25,000 to an anticipated level of \$75,000. These unsecured notes payable are due on demand and provide for no interest.

Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1). Under this rule, the Company is required to maintain "net capital" equivalent to \$5,000 or 6 2/3% of "aggregate indebtedness", whichever is greater, as these terms are defined.
