INDEPENDENT AUDITOR'S REPORT

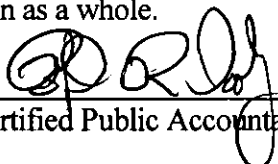

To the Board of Directors
Cheevers & Company
Chicago, Illinois 60605

I have audited the accompanying statement of financial condition of Cheevers & Company as of December 31, 2006, and the related statements of income, changes in stockholders' equity and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Cheevers & Company as of December 31, 2006, and the results of its operations and cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

My audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

CHEEVERS & COMPANY
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2006

(1) **Summary of Significant Accounting Policies**

The Company was incorporated under the laws of the State of Illinois on December 27, 1993. The Company is registered with the Securities and Exchange Commission and is a member of the National Association of Securities Dealers, Inc. The Company's principal business is providing floor execution on the Chicago Stock Exchange. Operations commenced during June, 1994.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, as well as the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Brokerage income is earned and recorded on the settlement date of the transaction.

Securities owned are valued at quoted market prices consistent with industry practice.

Property and equipment are stated at cost and depreciated using the straight line and accelerated method over the estimated useful lives of the assets.

For purposes of the statement of cash flows, the Company considers all cash on hand, amounts due from banks and short-term investments to be cash equivalents.

(2) **Net Capital Requirements**

The company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1). Under this rule, the Company is required to maintain "net capital" equivalent to \$100,000 or 6 2/3% of "aggregate indebtedness", whichever is greater, as these terms are defined.

Net capital and aggregate indebtedness change from day to day, but at December 31, 2006, the Company had net capital and net capital requirements of \$1,348,033 and \$100,000, respectively. The net capital rule may effectively restrict the payment of cash dividends.

(3) **S Corporation Election**

The Company has elected S Corporation status for federal income tax purposes. Income taxes are therefore the responsibility of the Company's stockholders.

CHEEVERS & COMPANY
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2006

(4) **Securities Owned**

Marketable securities owned consists of trading and investment securities at quoted market values, as illustrated below:

	<u>Owned</u>
Corporate domestic common stocks- at market	<u>\$ 15,715</u>

(5) **Retirement Plan**

The Company has a profit sharing plan (defined contribution) retirement plan covering all employees with one year of service. The amount of contributions to the plan is determined annually by the Board of Directors, and may vary from zero to fifteen percent of covered compensation.

Contributions to the plan were \$207,019 for the year ended December 31, 2006. This amount is reflected in accrued expenses at December 31, 2006.

FINANCIAL AND OPERATIONAL COMBINED UNIFORM SINGLE REPORT

PART IIA

BROKER OR DEALER

Cheevers & Company

as of 12/31/06

COMPUTATION OF NET CAPITAL REQUIREMENT

Part A

11. Minimum net capital required (6 $\frac{2}{3}$ % of line 19)	\$	25,764	3756
12. Minimum dollar net capital requirement of reporting broker or dealer and minimum net capital requirement of subsidiaries computed in accordance with Note (A)	\$	100,000	3758
13. Net capital requirement (greater of line 11 or 12)	\$	100,000	3760
14. Excess net capital (line 10 less 13)	\$	1,248,033	3770
15. Excess net capital at 1000% (line 10 less 10% of line 19)	\$	1,309,387	3780

COMPUTATION OF AGGREGATE INDEBTEDNESS

16. Total A.I. liabilities from Statement of Financial Condition	\$	386,455	3790
17. Add:			
A. Drafts for immediate credit	\$	3800	3800
B. Market value of securities borrowed for which no equivalent value is paid or credited	\$	3810	3810
C. Other unrecorded amounts (List)	\$	3820	3830
18. Total aggregate indebtedness	\$	386,455	3840
19. Percentage of aggregate indebtedness to net capital (line 18 + by line 10)	%	29	3850
20. Percentage of debt to debt-equity total computed in accordance with Rule 15c3-1(d)	%		3860

COMPUTATION OF ALTERNATE NET CAPITAL REQUIREMENT

Part B

21. 2% of combined aggregate debit items as shown in Formula for Reserve Requirements pursuant to Rule 15c3-3 prepared as of the date of the net capital computation including both brokers or dealers and consolidated subsidiaries' debits	\$		3970
22. Minimum dollar net capital requirement of reporting broker or dealer and minimum net capital requirement of subsidiaries computed in accordance with Note (A)	\$		3880
23. Net capital requirement (greater of line 21 or 22)	\$		3760
24. Excess capital (line 10 less 23)	\$		3910
25. Net capital in excess of the greater of:			
A. 5% of combined aggregate debit items or \$120,000	\$		3920

NOTES:

- (A) The minimum net capital requirement should be computed by adding the minimum dollar net capital requirement of the reporting broker dealer and, for each subsidiary to be consolidated, the greater of:
 - 1. Minimum dollar net capital requirement, or
 - 2. 6 $\frac{2}{3}$ % of aggregate indebtedness or 4% of aggregate debits if alternative method is used.
- (B) Do not deduct the value of securities borrowed under subordination agreements or secured demand note covered by subordination agreements not in satisfactory form and the market values of memberships in exchanges contributed for use of company (contra to Item 1740) and partners' securities which were included in non-allowable assets.
- (C) For reports filed pursuant to paragraph (d) of Rule 17a-5, respondent should provide a list of material non-allowable assets.

There are no material modifications between the above audited computations and the Company's unaudited filing.

See Auditor's Report.

To the Board of Directors
Cheevers & Company

In planning and performing my audit of the financial statements of Cheevers & Company (the Company) as of and for the year ended December 31, 2006, in accordance with auditing standards generally accepted in the United States of America, I considered the Company's internal control over financial reporting (internal control) as a basis for designing my auditing procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, I do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), I have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that I considered relevant to the objectives stated in rule 17a-5(g), in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11). The Company is not subject to the quarterly securities examinations, counts, verifications and comparisons and the recordation of differences required by Rule 17a-13 because it conducts a business with only those who are members of an Exchange. I did not review the practices and procedures followed by the Company (i) in complying with the requirements for prompt payment for securities under Section 8(b) of Regulation T of the Board of Governors of the Federal Reserve System; and (ii) in obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by Rule 15c3-3, because the Company does not carry accounts for customers or perform custodial functions relating to customer securities and has no procedures relating thereto.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgements by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

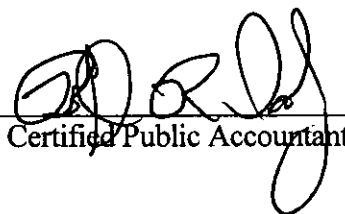

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A *material weakness* is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

My consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. I did not identify any deficiencies in internal control and control activities for safeguarding securities that I consider to be material weaknesses, as defined above.

I understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on my study, I believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2006, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the National Association of Securities Dealers, Inc. and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
