INDEPENDENT AUDITORS' REPORT

To the Members of
DeSilva & Phillips Corporate Finance LLC

We have audited the accompanying statement of financial condition of DeSilva & Phillips Corporate Finance LLC (the "Company") as of December 31, 2006. This statement of financial condition is the responsibility of the Company's management. Our responsibility is to express an opinion on this statement of financial condition based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial condition presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of DeSilva & Phillips Corporate Finance LLC as of December 31, 2006, in conformity with accounting principles generally accepted in the United States of America.

(NASD). The Company acts as a private placement agent for debt and equity securities for issuers who are involved in the media industry. See note 7.

2. Summary of significant accounting policies

Investment Banking Revenues

Investment banking revenues are recorded in accordance with the terms of the investment banking agreements.

Major Customers

The Company derived approximately 100% of its revenues from one customer during the year.

Income Taxes

No provision for income taxes has been recorded because the Company is a limited liability company. Accordingly, the individual members report their share of the Company's income or loss on their income tax returns. The Company is subject to the New York City unincorporated business tax which was approximately \$16,000 for the year ended December 31, 2006 and is included in other expenses in the statement of operations.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts disclosed in the financial statements. Actual results could differ from those estimates.

3. Concentration of credit risk

The Company maintains its cash in financial institutions, which at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts and believes it is not subject to any significant credit risk on cash.

4. Net capital requirement

The Company is subject to the SEC Uniform Net Capital Rule 15c3-1. This Rule requires the maintenance of minimum net capital and that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 and that equity capital may not be withdrawn if the resulting net capital ratio would exceed 10 to 1. NOTES TO FINANCIAL STATEMENTS

5. Exemption from Rule 15c3-3

The related party is owned personally by the members of the Company.

7. Subsequent events

On January 10, 2007 the Company filed form BDW "Uniform Request Withdrawal from Broker- Dealer Registration" and as such ceased broker dealer business. During the audit of the Company's financial statements, and subsequent to January 10, 2007, it was noted that the Company was in violation of its minimum net capital requirement at December 31, 2006 as a receivable from the NASD was improperly included as an allowable asset in the Company's net capital computation. This violation was not cured as the Company is no longer required to file with the NASD and has ceased operating.
