## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
First Star Securities Corporation

We have audited the accompanying statement of financial condition of First Star Securities Corporation as of December 31, 2006, and the related statements of operations, changes in stockholders' equity, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of First Star Securities Corporation as of December 31, 2006, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedule I is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**FIRST STAR SECURITIES CORPORATION**  
**Notes to Financial Statements**

**Note 1 - Nature of Business and Summary of Significant Accounting Policies**

Nature of Business:

Four Star Securities Corporation, dba First Star Securities Corporation (Company) was incorporated in the state of Texas in February of 2001.

The Company is registered as a broker/dealer with the Securities and Exchange Commission (SEC) and is a member of the National Association of Securities Dealers, Inc. (NASD). The Company is a mutual fund retailer, whose customers are individuals primarily located in Texas.

Significant Accounting Policies:

Basis of Accounting

The Company operates under the provisions of Paragraph (k)(1) of Rule 15c3-3 of the SEC and, accordingly, is exempt from the remaining provisions of that Rule. Essentially, the requirements of Paragraph (k)(1) provide that the Company limit its securities business to the distribution of mutual funds.

Fair Value of Financial Instruments

Cash, certificates of deposit and receivables are short-term in nature and accordingly are recorded at fair value or amounts that approximate fair value.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Property and Equipment

Property and equipment are carried at cost less accumulated depreciation. Depreciation is computed on a straight-line basis over the estimated useful lives of the related assets ranging from five to seven years.

Income Taxes

The Company has elected to be taxed under the provisions of Subchapter S of the Internal Revenue Code, resulting in all tax liabilities or benefits relating to the operations of the Company passing through to the individual shareholders.

**FIRST STAR SECURITIES CORPORATION**  
**Notes to Financial Statements**

**Note 1 - Nature of Business and Summary of Significant Accounting Policies (continued)**

Security Transactions

Securities commissions and the related commission revenue and expense are recorded on a trade date basis.

**Note 2 - Net Capital Requirements**

The Company is subject to the SEC uniform net capital rule (Rule 15c3-1), which requires the maintenance of a minimum amount of net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2006, the Company had net capital and net capital requirements of \$14,365 and \$5,000, respectively. The Company's net capital ratio was zero to 1.

**Note 3 - Certificates of Deposit**

Certificates of deposit consist of \$13,195 due from United States financial institutions and \$1,472 due from a foreign financial institution.

**Note 4 - Property and Equipment**

Property and equipment is recorded at cost less accumulated depreciation and consists of the following:

Equipment	\$ 10,164
Furniture and fixtures	<u>781</u>
	10,945
Accumulated depreciation	<u>(9,602)</u>
	<u>\$ 1,343</u>

Depreciation expense for the year was \$2,115.

**Note 5 - Related Party Transactions**

The Company has an unsecured, non-interest bearing advance to its majority shareholder totaling \$5,013, due on demand.

## INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL

Board of Directors  
First Star Securities Corporation

In planning and performing our audit of the financial statements and supplemental schedule of First Star Securities Corporation (the Company) for the year ended December 31, 2006, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications and comparisons
2. Recordation of differences required by rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in accordance with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2006 to meet the SEC's objectives.

This report is intended solely for use of the Board of Directors, management, the SEC, the National Association of Securities Dealers, Inc. and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
