INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Member
of CAYMUS SECURITIES, LLC

We have audited the accompanying statement of financial condition of CAYMUS SECURITIES, LLC (a limited liability company) as of December 31, 2006, and the related statements of income and member's equity, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of CAYMUS SECURITIES, LLC as of December 31, 2006, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in pages 8 through 14 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

CAYMUS SECURITIES, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2006

Note A
Summary of Significant Accounting Policies

Description of Company:

CAYMUS SECURITIES, LLC (the Company) is a wholly owned subsidiary of Caymus Partners, LLC (the Sole Member). The Company was formed February 10, 2003 as a limited liability company and began operations in April 2003. The Company is a registered broker-dealer under the Securities Exchange Act of 1934. The Company is in the business of investment banking where the Company acts as an advisor or agent in merger-and-acquisition transactions and the raising of private capital through security offerings.

The Company does not maintain customer accounts.

Cash and Cash Equivalents:

The Company considers all cash on hand, in banks, and other highly-liquid investments with maturities of three months or less, when purchased, to be cash equivalents. The Company has cash deposits with financial institutions that fluctuate in excess of federally insured (FDIC) limits. If these financial institutions were not to honor their contractual liability, the Company could incur losses.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes:

The Company is a single member limited liability company. The Company is a disregarded entity for tax purposes and does not file tax returns or pay income taxes. All income and losses are passed through to the Sole Member to be included on the Sole Member's tax return.

Revenue Recognition:

Investment banking revenues include gains, losses, and fees arising from securities offerings in which the Company acts as an agent. Investment banking revenues also include fees earned from providing merger-and-acquisition and financial restructuring advisory services. Investment banking fees are recorded on offering date, and when the income is reasonably determinable.

Investment

The Company owns a warrant to purchase 1% of the outstanding common stock of Receivables Outsourcing, Inc. for \$120,000 through November 25, 2013. The investment is accounted for using the cost method.

CAYMUS SECURITIES, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2006

Note B

Related Party Transactions

The Company pays a management fee to the Sole Member equal to 90% of all profits, as defined in the management agreement. During the year ended December 31, 2006, management fees incurred totaled \$945,768. In addition, at December 31, 2006 the Company owed \$4,495 to the Sole Member.

Note C

Net Capital

The Company, as a registered broker-dealer in securities, is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to one and shall not be less than \$5,000. At December 31, 2006, the Company had net capital of \$90,572, which was \$85,572 in excess of its required net capital of \$5,000. The Company's net capital ratio was 0.38 to one.

Note D

Exemption from Rule 15c3-3

The Company is exempt from rule 15c3-3 of the Securities and Exchange Commission and, accordingly, is not required to maintain a reserve account for the exclusive benefit of customers.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5
FOR A BROKER-DEALER CLAIMING AN EXEMPTION FROM SEC RULE 15c3-3**

To the Board of Directors and Member
of CAYMUS SECURITIES, LLC

In planning and performing our audit of the financial statements and supplemental schedules of CAYMUS SECURITIES, LLC (the Company) for the year ended December 31, 2006, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g), in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making the quarterly securities examinations, counts, verifications, and comparisons
2. Recordation of differences required by rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments made by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5
FOR A BROKER-DEALER CLAIMING AN EXEMPTION FROM SEC RULE 15c3-3

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2006, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the NASD and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
