Independent Auditors' Report

To the Partners of
Titleist Asset Management, Ltd.:

We have audited the accompanying statement of financial condition of Titleist Asset Management, Ltd. as of December 31, 2006, and the related statements of operations, changes in partners' equity, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Titleist Asset Management, Ltd. as of December 31, 2006, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedule I is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

TITLEIST ASSET MANAGEMENT, LTD

Notes to the Financial Statements

December 31, 2006

Note 1 - Nature of Business

Titleist Asset Management, Ltd. (Company) was organized in February 2003 as a Texas limited partnership headquartered in Austin, Texas. The Company became a registered broker/dealer with the Securities and Exchange Commission (SEC) in March 2003 and is a member of the National Association of Security Dealers, Inc. (NASD). The Company began operations in September 2003. The Company operates under the provisions of Paragraph K(2)(ii) of Rule 15c3-3 of the SEC, and accordingly is exempt from the remaining provisions of that Rule. The Company's customers consist primarily of individuals located throughout the United States of America.

Note 2 - Significant Accounting Policies

Basis of Accounting

These financial statements are presented on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America. Revenues are recognized in the period earned and expenses when incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash Equivalents

For purposes of the statement of cash flows, the Company considers short-term investments, which may be withdrawn at any time without penalty, and restricted cash, which will become available within one year from the date of the financial statements, to be cash equivalents.

Securities Transactions

Securities transactions and the related commission revenues and expenses are recorded on a settlement date basis, generally the third business day following the transaction. If materially different, commission income and related expenses are recorded on a trade date basis.

Investment Advisory

Investment advisory fees are received quarterly but are recognized as earned on a pro rata basis over the term of the contract.

TITLEIST ASSET MANAGEMENT, LTD

Notes to the Financial Statements

December 31, 2006

Note 2 - Significant Accounting Policies (Continued)

Financial Instruments and Credit Risk

Financial instruments that potentially subject the Company to credit risk include cash, receivables from clearing broker-dealers, and securities owned. The Company's cash balances did not exceed federally insured limits of \$100,000 during the year. Securities owned consist of investments in registered investment companies and are held for investment purposes. Securities that are marketable are stated at fair market value (as determined by quoted market prices) and securities not readily marketable are carried at fair value as determined by management of the Company. The increase or decrease in net unrealized appreciation or depreciation of securities is credited or charged to operations.

Income Taxes

The Company has elected to be taxed as a partnership. As such, the Company does not pay federal corporate income taxes on its taxable income. Instead, the partners are liable for individual federal income taxes on their respective shares of taxable net income. As a partnership, the Company is not subject to Texas franchise taxes.

Customer Funds

The Company is approved to sell private securities and limited partnership interests. The Company is not approved to hold customer funds on account. From time to time, the Company may accept funds from customers for deposit into an escrow account at a bank. Those funds will be held separate from the general funds of the Company in a custodial account.

Note 3 - Net Capital Requirements

The Company is subject to the SEC uniform net capital rule (Rule 15c3-1), which requires the maintenance of a minimum amount of net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 8 to 1 during the first year of operations and 15 to 1 thereafter. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2006, the Company had net capital and net capital requirements of \$53,600 and \$5,000, respectively. The Company's aggregate indebtedness to net capital ratio was 18 to 1.

TITLEIST ASSET MANAGEMENT, LTD
Notes to the Financial Statements
December 31, 2006

Note 4 - Commitments and Contingencies

Litigation

The Company is subject to various claims and legal actions arising in the ordinary course of business. At December 31, 2006, the Company was not involved in any litigation or active legal actions.

Sub-Clearing Agreement

Included in the Company's sub-clearing agreement is an indemnification clause. This clause relates to instances where the Company's customers fail to settle security transactions. In the event this occurs, the Company will indemnify the clearing broker-dealer to the extent of the net loss on any unsettled trades. At December 31, 2006, management of the Company had not been notified by the clearing broker-dealer, nor were they otherwise aware, of any potential losses relating to this indemnification.

Note 5 - Related Party Transactions

Commissions on certain securities transactions were paid to a former limited partner and current general partner of the Company. Commissions expense associated with this agreement totaled approximately \$28,000 for the year ended December 31, 2006.

Schedule I

TITLEIST ASSET MANAGEMENT, LTD.
Computation of Net Capital and Aggregate Indebtedness
Pursuant to Rule 15c3-1 of the Securities and Exchange Commission
As of December 31, 2006

Total partners' equity qualified for net capital	\$ 53,660
Deductions and/or charges	
Non-allowable assets:	<u>60</u>
Total deductions and/or charges	<u>60</u>
Net capital before haircuts on securities	53,600
Haircuts on securities	<u>-</u>
Net capital	<u>\$ 53,600</u>
Aggregate indebtedness	
Accounts payable and other liabilities	<u>\$ 9,523</u>
Total aggregate indebtedness	<u>\$ 9,523</u>
Computation of basic net capital requirement	
Minimum net capital required (greater of \$5,000 or 6 2/3% of aggregate indebtedness)	<u>\$ 5,000</u>
Net capital in excess of minimum requirement	<u>\$ 48,600</u>
Ratio of aggregate indebtedness to net capital	<u>0.18 to 1</u>

Note: The above computation does not differ from the computation of net capital under Rule 15c3-1 as of December 31, 2006 as reported by Titleist Asset Management, Ltd. on Amended Form X-17A-5. Accordingly, no reconciliation is deemed necessary.

See notes to financial statements and independent auditors' report.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL

To the Managers of
Titleist Asset Management, Ltd.:

In planning and performing our audit of the financial statements and supplemental schedule of Titleist Asset Management, Ltd. (the Company) for the year ended December 31, 2006, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications and comparisons
2. Recordation of differences required by rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in accordance with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

PMB † Helin Donovan

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2006 to meet the SEC's objectives.

This report is intended solely for use of the Managers, management, the SEC, the National Association of Securities Dealers, Inc. and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
