INDEPENDENT AUDITOR'S REPORT

Board of Directors
Sal. Oppenheim, Jr. & Cie. Securities, Inc.

We have audited the accompanying statement of financial condition of Sal. Oppenheim, Jr. & Cie. Securities, Inc. (The Company) as of December 31, 2006. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose for expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of Sal. Oppenheim, Jr. & Cie. Securities, Inc. as of December 31, 2006, in conformity with accounting principles generally accepted in the United States of America.
