## Report of Independent Auditors

The Board of Directors  
IFS Fund Distributors, Inc.

We have audited the accompanying statement of financial condition of IFS Fund Distributors, Inc., an indirect wholly-owned subsidiary of Western and Southern Life Insurance Company, as of December 31, 2006, and the related statements of operations, changes in stockholder's equity and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. We were not engaged to perform an audit of the Company's internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of IFS Fund Distributors, Inc. at December 31, 2006, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 of the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in our audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

## Notes to Financial Statements

December 31, 2006

### **1. Organization and Nature of Business**

IFS Fund Distributors, Inc. (the Company) is a wholly-owned subsidiary of Integrated Holdings, Inc. Integrated Holdings, Inc. is a wholly-owned subsidiary of IFS Financial Services, Inc. (IFS). IFS is a wholly-owned subsidiary of Western-Southern Life Assurance Company, which is a wholly-owned subsidiary of Western and Southern Life Insurance Company (WSLIC). The Company is a registered broker-dealer engaged primarily in asset management, mutual funds and trading in securities.

Effective January 1, 2007, the Company's parent, Integrated Holdings, Inc. dissolved and the Company is now a wholly-owned subsidiary of IFS.

### **2. Significant Accounting Policies**

#### **Cash and Cash Equivalents**

Cash and cash equivalents include all cash balances and highly-liquid investments with a maturity of three months or less at the date of purchase, including investments in money market funds.

#### **Commission Income**

Commission income is recognized for distribution related services when investment contracts are executed and recognized on securities transactions based on the trade date.

#### **Income Taxes**

The Company is included in the consolidated federal income tax return with WSLIC. Statement of Financial Accounting Standards (SFAS) No. 109, *Accounting for Income Taxes*, requires a systematic and rational allocation of tax expense to members of the consolidated group. Accordingly, the Company records a provision for income taxes under the separate return method as permitted under SFAS No. 109. The benefit from losses of the Company is available to offset income of others within the consolidated group or the Company's future taxable income within the period of limitations, in accordance with the Company's tax sharing agreement.

# IFS Fund Distributors, Inc.

## Notes to Financial Statements (continued)

### **2. Significant Accounting Policies (continued)**

The net deferred income tax asset recorded at December 31, 2006 is \$4,690, primarily attributable to a net operating loss carryforward from tax year 2006 that expires in 2026. Differences between the effective tax rate and the federal income tax rate are due to adjustments for meals and entertainment. The Company received \$12,880 for income tax reimbursements in the current year. The amount of taxes currently receivable from WSLIC as of December 31, 2006 was \$3,574.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### **3. Regulatory Requirements**

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule, Rule 15c3-1 (the Rule), which requires that the Company maintains a minimum net capital level of the greater of \$25,000 or 6 2/3% of aggregate indebtedness, and a ratio of aggregate indebtedness to net capital not to exceed 15 to 1, as those terms are defined by the Rule. At December 31, 2006, the Company's net capital, as defined, was \$548,038 which was \$523,038 in excess of required net capital, and its ratio of aggregate indebtedness to net capital was .27 to 1.

### **4. Contingencies**

The Company is involved in various legal and regulatory matters arising in the normal course of business. Management of the Company believes that the resolution of these matters will not result in any material adverse impact on the financial position and operations for the Company.

IFS Fund Distributors, Inc.

Schedule II - Statement Regarding Rule 15c3-3

December 31, 2006

The Company carries no customer accounts and promptly transmits all customer funds and securities to its clearing brokers. Accordingly, the Company is exempt from the provisions of Rule 15c3-3 of the Securities and Exchange Commission under paragraph (k)(1) of that Rule.

### Supplementary Report of Independent Auditors on Internal Control Required by Rule 17a-5

The Board of Directors  
IFS Fund Distributors, Inc.

In planning and performing our audit of the financial statements of IFS Fund Distributors, Inc. (the "Company"), as of and for the year ended December 31, 2006, in accordance with auditing standards generally accepted in the United States, we considered its internal control over financial reporting ("internal control"), as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. The study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them

to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control. A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2006 to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
