J. W. KORTH & COMPANY LIMITED PARTNERSHIP
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2006

NOTE 1 - NATURE OF BUSINESS AND SIGNIFICANT ACCOUNTING POLICIES

J. W. Korth & Company Limited Partnership (the "Partnership") was organized under the Michigan Revised Uniform Limited Partnership Act, as amended, for the purpose of operating as a full service investment banking firm. The general partner and limited partner share in the profits and losses of the Partnership in proportion to their respective interests in the Partnership, except for guaranteed payments to the general partner. A limited partner's loss is limited to the amount of his or her investment. Unless sooner terminated by law or as provided in the Limited Partnership Agreement, the Partnership will terminate on December 31, 2040.

Revenue Recognition

Securities transactions and related revenues and expenses are recorded on a trade date basis. The risk of loss on unsettled transactions is the same as settled transactions and relates to the customer's or broker's inability to meet the terms of their contract. Securities owned and sold, not yet purchased, are valued at market and unrealized gains and losses are included in net income.

Income Taxes

No provision for income taxes is required since the partners report their proportionate share of partnership taxable income or loss on their respective income tax returns. Such income or losses are proportionately allocated to the partners based upon their ownership interests.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and accompanying notes and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 - CASH RESERVE FOR THE EXCLUSIVE BENEFIT OF CUSTOMERS

Cash of \$2,000 has been segregated in a special reserve bank account for the benefit of customers under Rule 15c3-3 of the Securities and Exchange Commission.

NOTE 3 - NET CAPITAL REQUIREMENT

The Partnership is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires that the Partnership maintain "Net Capital" equal to the

J. W. KORTH & COMPANY LIMITED PARTNERSHIP
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2006

NOTE 3 - NET CAPITAL REQUIREMENT (Continued)

greater of \$250,000 or 6 2/3% of "Aggregate Indebtedness", as defined. At December 31, 2006, the Partnership's "Net Capital" was \$538,272 and "Required Net Capital" was \$250,000. The ratio of "Aggregate Indebtedness" to "Net Capital" should not exceed 15 to 1. At December 31, 2006, the Partnership's ratio was .01 to 1.

NOTE 4 - COMMITMENTS

The Partnership leases office space under an operating lease which expires September 14, 2007. The future minimum lease payment for the period January 1, 2007 to September 14, 2007 is \$30,250.

NOTE 5 - CONCENTRATION OF CREDIT RISK

Financial instruments that potentially subject the Partnership to concentrations of credit risk consist principally of cash investments and positions held in securities.

The Partnership transacts proprietary security transactions on a margin basis. In margin transactions, the Partnership is extended credit by the Partnership's clearing broker, collateralized by cash and securities in the Partnership's accounts. Such transactions may expose the Partnership to significant off-balance-sheet risk.

Sales of securities sold, not yet purchased, represent an obligation of the Partnership to deliver specified securities at a predetermined date and price. The Partnership is obligated to acquire the required securities at prevailing market prices in the future to satisfy this obligation. Amounts due to broker are secured by the underlying investments held by the Partnership.

The Partnership maintains a cash balance in a financial institution located in Michigan. The balance is insured by the Federal Deposit Insurance Corporation up to \$100,000. At December 31, 2006, the Partnership had no uninsured cash balances in financial institutions.

The NASD requires the Partnership to maintain a reserve account for the exclusive benefit of its customers. The funds are currently being held in a checking account at a financial institution in Miami, Florida.

NOTE 6 - CLEARING ARRANGEMENTS

The Partnership clears on a fully-disclosed basis through ADP Clearing and North American Clearing. Pursuant to the clearing agreements, the Partnership is required to maintain clearing deposits of \$100,000 and \$10,000, respectively with the clearing brokers/dealers. The clearing deposit with ADP Clearing is \$100,616 including accrued interest. A money market account with North American Clearing maintains a \$10,000 clearing deposit.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
REQUIRED BY SEC RULE 17a-5 FOR A BROKER - DEALER
CLAIMING AN EXEMPTION FROM SEC RULE 15c3-3**

General and Limited Partners
J. W. Korth & Company Limited Partnership

In planning and performing our audit of the financial statements and supplemental schedules of J. W. Korth & Company Limited Partnership for the year ended December 31, 2006, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (the "Commission"), we have made a study of the practices and procedures (including tests of compliance with such practices and procedures) followed by the Partnership that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and the procedures for determining compliance with the exemptive provisions of Rule 15c3-3. We did not review the practices and procedures followed by the Partnership in making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by Rule 17a-13 or in complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System, because the Partnership does not carry security accounts for customers or perform custodial functions relating to customer securities.

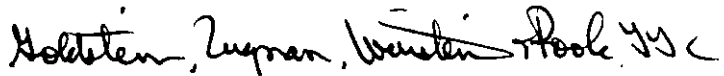

The management of the Partnership is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Partnership has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of the internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control component does not reduce to a relatively low level the risk that errors or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including procedures for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Partnership's practices and procedures were adequate at December 31, 2006 to meet the Commission's objectives.

This report is intended solely for the use of the partners, management, the Securities and Exchange Commission and the National Association of Securities Dealers and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers and is not intended to be and shall not be used by anyone other than those specified parties.
