We have audited the accompanying statement of financial condition of The Links Group, LLC (the "Company") as of December 31, 2006. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. THE LINKS GROUP, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2006

NOTE 1 - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

The Links Group, LLC (the "Company") was organized as a limited liability company on May 9, 2001 in the State of Delaware. The Company is registered with the Securities and Exchange Commission as a broker/dealer and is a member of the National Association of Securities Dealers, Inc. The Company does not carry customers' accounts and does not receive, deliver or hold cash or securities in connection with customers' securities transactions.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

NOTE 2 - NET CAPITAL REQUIREMENTS

The Company is subject to the Uniform Net Capital Rule 15c3-1 under the Securities Exchange Act of 1934. The Rule requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. The Rule also requires minimum net capital in an amount equal to the greater of \$5,000 or 6 2/3% of aggregate indebtedness. At December 31, 2006, the Company had net capital of \$332,434 and excess net capital of \$327,434.

NOTE 3 - INCOME TAXES

No provision for federal, state and local income taxes has been made since the Company is not a taxable entity. The member is individually liable for the taxes on its share of the Company's income or loss.

THE LINKS GROUP, LLC
NOTES TO FINANCIAL STATEMENT
DECEMBER 31, 2006
(continued)

NOTE 4 - SALES REPRESENTATION AGREEMENT/ECONOMIC DEPENDENCY

The Company has entered into a sales representation agreement with a multi-dimensional financial services organization (the "Organization") as a sales representative for the solicitation of investors. With certain defined exceptions, the Company's sole business activity is to be confined to the solicitation of these investors. As consideration for these services, the Company receives a fee at the end of each quarter between 35% and 41% of the management and incentive fees received by the Organization during that quarter with respect to the funds under management that were introduced by the Company.

NOTE 5 - SIGNIFICANT GROUP CONCENTRATION OF RISK

In the normal course of its business, the Company enters into financial transactions where the risk of potential loss due to changes in the market (market risk) or failures of the other parties to the transaction to perform (counterparty risk) exceeds the amounts recorded for the transaction.

The Company's policy is to continuously monitor its exposure to the market and counterparty risk through the use of a variety of financial position and credit exposure reporting and control procedures. In addition, the Company has a policy of reviewing the customers and/or other counterparties with which it conducts business.

As of December 31, 2006, there were no customer accounts having debit balances which presented any risks nor was there any exposure with any other transaction conducted with any other broker.

NOTE 6 - RELATED PARTY TRANSACTIONS

During 2006, the company operated out of the home of the sole member of the company. The space used is minimal and the allocated cost would not have a material effect on the financial statements. The member had elected to waive the rent and certain other overhead expenses that would otherwise be charged to the Company. The member has adequate resources independent of the Company to pay these expenses, and the Company has no additional obligation, either direct or indirect to compensate a third part for these expenses.
