Independent Auditors' Report

To The Board of Directors
MVP Global Trading LLC
15 Park Row 25th Floor
New York, NY 10038

Gentlemen:

We have audited the accompanying statement of financial condition of MVP Global Trading LLC the "Company" as of December 31, 2006. This statement of financial condition is the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of the Company at December 31, 2006, in conformity with accounting principles generally accepted in the United States.

MVP Global Trading, LLC
Notes to Financial Statements
December 31, 2006

Note A- Summary of Significant Accounting Policies

Nature of Operations

MVP Global Trading LLC, a partnership engaged in business as a broker-dealer is located in New York.

Income Taxes

All tax effects of the partnership's income or loss are passed through to the partners individually.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the partners to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Guaranteed Payments

Guaranteed payments to partners are designed to represent reasonable compensation for services rendered are accounted for as partnership expenses rather than as an allocation of partnership net income.

Control Requirements

There are no amounts as of December 31, 2006, to be reported pursuant to the possession or control requirements under Rule 15c3-3. The company is in compliance with the exemptive provisions of Rule 15c3-3 under paragraph (k)(2)(ii) and thus is exempt from provisions of Rule 15c3-3.

Reconciliation Pursuant To Rule 17a-5(d)(4)

Computation fo Net Capital Under Rule 15c3-3

There was a small difference between the net capital reported on the December 31, 2006 unaudited Focus report and this report as follows.

Net Capital as reported on the unaudited Focus report	\$73,914
Net Capital as audited	<u>73,864</u>
Difference	\$ <u>50</u>

Independent Auditors' Report

To The Board of Directors
MVP Global Trading LLC
15 Park Row 25th Floor
New York, NY 10038

Gentlemen:

In *planning and performing* our audit of the financial statements of MVP Global Trading LLC (the Company) for the year ended December 31, 2006, we considered its internal control structure, including control activities for safeguarding customer and firm assets, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the Company's internal control.

Also, as required by regulation 1.16 of the commodity Exchange Act, we have made a study of the practices and procedures (including test of compliance of such practices and procedures) followed by the Company, and we considered relevant to the objectives stated in regulation 1.16, in making the periodic computations of the minimal financial requirements, pursuant to regulation 1.17 of the Commodity Exchange Act and the regulations there under.

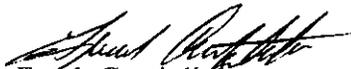

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and the practices and procedures, and to assess whether those practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Regulation 1.16(d)(2) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them in future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of the Company's internal control would not necessarily disclose all matters in the Company's internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that errors or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the Company's internal control and its operation, including controls for safeguarding customer and firm assets, that we considered to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the CFTC to be adequate for its purpose in accordance with the Commodity Exchange Act and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2006 to meet the Commission's objectives.

This report is intended solely for the information and use of management, the Commodity Future Trading Commission, and other regulatory agencies, which rely on regulation 1.16 of the Commodity Exchange Act and should not be used for any other purpose.
