Board of Directors  
R. T. Jones Capital Equities, Inc.  
St. Louis, Missouri

I have examined the accompanying statement of financial position of R. T. Jones Capital Equities, Inc. as of March 31, 2007, and the related statements of income, changes in stockholder's equity, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted the audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of R. T. Jones Capital Equities, Inc. as of March 31, 2007, and the results of its operations and cash flows for the year then ended, in conformity with generally accepted accounting principles.

My audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The schedule of operating expenses on page 10 is presented for the purpose of additional analysis, and is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Fax 314/961-4425

Board of Directors  
R. T. Jones Capital Equities, Inc.  
St. Louis, Missouri

I have audited the financial statements of R. T. Jones Capital Equities, Inc. for the year ended March 31, 2007, and have issued my report thereon dated May 23, 2007. As part of my examination, I made a study and evaluation of the Company's system of internal accounting control to the extent I considered necessary to evaluate the system as required by generally accepted auditing standards. The purpose of my study and evaluation, which included obtaining an understanding of the accounting system, was to determine the nature, timing, and extent of the auditing procedures necessary for expressing an opinion on the Company's financial statements.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission, I have made a study of practices that are considered relevant to the objectives stated in Rule 17a-5(g)(1) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and procedures for determining compliance with exemptive procedures (1) in making the quarterly securities examinations, counts, verifications, and comparisons, and documentation of differences required by Rule 17a-13 or (2) in complying with the requirement for prompt payment for securities under Section 4(c) of Regulation T of the Board of Governors of the Federal Reserve System because the Company does not carry security accounts for customers nor perform custodial functions relating to customer securities.

The management of R. T. Jones Capital Equities, Inc. is responsible for establishing and maintaining a system of internal accounting control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgements by management are required to assess the expected benefits and related costs of control procedures and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the Commission's above mentioned objectives. The objectives of a system and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which R. T. Jones Capital Equities, Inc. has responsibilities are safeguarded against loss from unauthorized use or disposition, and that transactions are

executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal accounting control procedures or the practices and procedures referred to above, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

My study and evaluation, made for the limited purpose described in the first paragraph, would not necessarily disclose all material weaknesses in the system. Accordingly, I do not express an opinion on the system of internal accounting control of R. T. Jones Capital Equities, Inc. taken as a whole. However, my study and evaluation disclosed no condition that I believe to be a material weakness.

I understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities and Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and my study, I believe the R. T. Jones Capital Equities, Inc.'s practices and procedures were adequate at March 31, 2007 to meet the Commission's objectives.

At March 31, 2007, the Company was in compliance with the conditions of its exemption from Rule 15c3-3 and no facts came to my attention during my examination that indicated that such conditions have not been complied with during the period under review.

This report is intended solely for the use of management, the National Association of Securities Dealers, and the Securities and Exchange Commission, and should not be used for any other purpose.
