Board of Directors
3 Mark Equities, Inc.
Houston, Texas

We have audited the accompanying statements of financial condition of 3 Mark Equities, Inc. (a wholly-owned subsidiary of 3 Mark Financial, Inc.), as of March 31, 2007 and 2006, and the related statements of income, changes in stockholder's equity and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards of the Public Company Accounting Oversight Board (United States of America). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of 3 Mark Equities, Inc. as of March 31, 2007 and 2006, and the results of its operations and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Organization and Nature of Operations – 3 Mark Equities, Inc. (the “Company”) was incorporated in Delaware on February 16, 2000. The Company is a registered broker and dealer in securities under the Securities Exchange Act of 1934 and was established as a limited broker and dealer involved with wholesaling variable insurance products. The Company receives gross dealer concessions or wholesale concessions from other designated brokers and dealers for sales of mutual funds, unit investment trusts, corporate debt and equity securities. The Company is a wholly owned subsidiary of 3 Mark Financial, Inc., (the “Parent”). Except for the initial capital contribution in March 2000, the Company had no transactions prior to January 2001.

Cash Equivalents – The Company considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

Income Taxes – The Company provides for deferred income taxes under the liability method. The Company has no temporary differences between the book and tax bases of its assets and liabilities.

The operating results of the Company are included in the consolidated income tax returns filed by the Parent and its affiliates. The Parent’s policy is to allocate income tax liabilities or benefits to the Company on a separate return basis as net income or losses are incurred.

Commission Income and Expense – The Company earns commissions from the sale of mutual funds, unit investment trusts, corporate debt and equity securities through a network of registered representatives of affiliated broker/dealers. The managers of those registered representatives are paid commissions, which generally are approximately 80% of the commission earned by the Company.

Use of Estimates – The preparation of the Company’s financial statements in conformity with generally accepted accounting principles requires the Company’s management to make estimates and assumptions that affect the amounts reported in these financial statements and accompanying notes. Actual results could differ from those estimates.

2. RELATED PARTY TRANSACTIONS:

The Company has no full-time employees and shares facilities with its Parent and its affiliates. Accordingly, the Company is economically dependent on its Parent. The Company paid its parent \$120,000 in management fees for fiscal 2007 and 2006. Management fees are based upon the Parent’s estimate of allocable costs, including labor, rent and overhead costs, incurred by the Parent on behalf of the Company. The Parent allocates these costs to the Company based on labor hours and square footage. In addition, the Company paid approximately \$950,000 and \$779,000 in commissions in fiscal 2007 and 2006, respectively, based on 80% of revenues received.

As of March 31, 2007 and 2006, the Company had made overpayments to the Parent, totaling \$19,345 and \$54,099, respectively, which have been reflected as a distribution in the accompanying financials.

3 MARK EQUITIES, INC.

NOTES TO FINANCIAL STATEMENTS

3. **MINIMUM NET CAPITAL REQUIREMENT:**

Pursuant to the Uniform Net Capital requirements of the Securities and Exchange Commission under Rule 15c3-1, the Company is required to maintain a minimum net capital balance and requires that the ratio of aggregate indebtedness to net capital shall not exceed 15 to 1, as defined under such rule. At March 31, 2007, the Company had net capital of \$82,971, which was \$77,971 greater than its required net capital of \$5,000. At March 31, 2006, the Company had net capital of \$17,677, which was \$12,677 greater than its required net capital of \$5,000.

4. **RECONCILIATION OF FOCUS REPORT TO AUDITED FINANCIAL STATEMENTS:**

The accompanying audited 2007 and 2006 financial statements reflect certain adjustments to amounts previously reported in the 2007 and 2006 fourth quarter Financial and Operational Combined Uniform Single reports ("FOCUS Reports") filed with the Securities and Exchange Commission. Specifically, the \$386,931 receivable due from the Parent and reported in the 2007 fourth quarter FOCUS Report as a non-allowable asset has been netted within retained earnings against distributions to the Parent. The \$367,586 receivable due from the Parent and reported in the 2006 fourth quarter FOCUS Report as a non-allowable asset has been netted within retained earnings against distributions to the Parent.

AS OF MARCH 31, 2007**

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM
ON INTERNAL CONTROL STRUCTURE**

Board of Directors
3 Mark Equities, Inc.
Houston, Texas

Dear Sirs:

In planning and performing our audits of the financial statements and supplemental schedules of 3 Mark Equities, Inc. (the Company) for the years ended March 31, 2007 and 2006, on which we have issued our report dated May 23, 2007, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission, we have made a study of the practices and procedures followed by the Company including tests of compliance with such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g), in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and the reserve required by Rule 15c3-3(e). We did not review the practices and procedures followed by the Company in complying with the requirements in making quarterly securities examinations, counts, verifications and comparisons as required by Rule 17a-13, because the Company did not hold any securities at March 31, 2007 or 2006, or during the years then ended. We did not review the practices and procedures followed by the Company in complying with the requirements for prompt payment for securities under Section 8 of Regulation T of the Board of Governors of the Federal Reserve System and in obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by Rule 15c3-3, because the Company does not carry security accounts for customers.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls, and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Denver, Colorado 80202
Phone: 303-298-9600
Fax: 303-298-8118
www.heincpa.com

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at March 31, 2007 and 2006 to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the National Association of Securities Dealers, Inc., and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and should not be used for any other purpose.

Yours truly,
