THE GAUSSIAN GROUP, LLC**NOTES TO FINANCIAL STATEMENTS****December 31, 2006****NOTE 1- ORGANIZATION AND NATURE OF BUSINESS**

The Gaussian group, LLC, a New York limited liability company (the "Company") formed in 2005, is registered as a broker-dealer with the Securities and Exchange Commission ("SEC") and is a member of the American Stock Exchange ("AMEX") and the Pacific Exchange ("PCX").

The Company is engaged in securities trading.

NOTE 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**Cash and Cash Equivalents**

All short-term investments with an original maturity of three months or less are considered to be cash equivalents.

Concentration of Credit Risk

The Company is engaged in various investment and brokerage activities in which counterparties primarily include broker-dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Company's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

Securities transactions and related income and expenses are recorded daily on a mark to market basis.

THE GAUSSIAN GROUP, LLC**NOTES TO FINANCIAL STATEMENTS****December 31, 2006****NOTE 5- COMMITMENTS AND CONTINGENCIES**

The Company utilizes office space provided by its clearing firm.

NOTE 6- NET CAPITAL REQUIREMENTS

The Company is a member of the American Stock Exchange and is subject to the Securities and Exchange Commission Uniform Net Capital Rule 15c3-1. This Rule requires that the ratio of aggregate indebtedness to net capital may not exceed 15 to 1, during the first twelve (12) months of commencing operations the ratio may not exceed 8 to 1, and equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2006, the Company's net capital was \$1,566,689 which was \$1,466,689 in excess of its required net capital of \$100,000. The Company's aggregate indebtedness to net capital ratio was 0.0818 to 1.

NOTE 7- EXEMPTION FROM RULE 15c3-3

The Company is exempt from the Securities and Exchange Commission Rule 15c3-3 and, therefore, is not required to maintain a "Special Reserve Bank Account for the Exclusive Benefit of Customers".

NOTE 8- OFF BALANCE SHEET RISK

Pursuant to a JBO Participant's Account Agreement, the Company will give up its clearing member to the clearing corporation for all of its securities transactions. Therefore, all of the customers' money balances and long and short security positions will be maintained on the books of the clearing member in a JBO participant's account. Under certain conditions as defined in the agreement, the Company has agreed to indemnify the clearing member for losses, if any, which the clearing member may sustain from maintaining securities transactions effected by the Company. In accordance with industry practice and regulatory requirements, the Company and the clearing member monitor collateral on the securities transactions introduced by the Company.

THE GAUSSIAN GROUP, LLC**NOTES TO FINANCIAL STATEMENTS****December 31, 2006****NOTE 9- GUARANTEES**

FASB Interpretation No. 45 (FIN 45), Guarantor's Accounting and Disclosure Requirements for Guarantees, Including Indirect Guarantees of Indebtedness of Others, requires the Company to disclose information about its obligations under certain guarantee arrangements. FIN 45 defines guarantees as contracts and indemnification agreements that contingently require a guarantor to make payments to the guaranteed party based on changes in an underlying contract (such as an interest or foreign exchange rate, security or commodity price, an index or the occurrence or non occurrence of a specified event) related to an asset, liability or equity security of a guaranteed party. FIN 45 also defines guarantees as contracts that contingently require the guarantor to make payments to the guaranteed party based on another entity's failure to perform under an agreement as well as indirect guarantees of the indebtedness of others.

Indemnifications

In the normal course of its business, the Company indemnifies and guarantees certain service providers, such as clearing and custody agents, trustees and administrators, against specified potential losses in connection with their acting as an agent of, or providing services to, the Company or its affiliates. The maximum potential amount of future payments that the Company could be required to make under the indemnifications cannot be estimated. However, the Company believes that it is unlikely it will have to make material payments under these arrangements and has not recorded any contingent liability in the financial statements for these indemnifications.

The Company provides representations and warranties to counterparties in connection with a variety of commercial transactions and occasionally indemnifies them against potential losses caused by the breach of those representations and warranties. The Company may also provide standard indemnifications to some counterparties to protect them in the event additional taxes are owed or payments are withheld, due either to a change in or adverse application of certain tax laws. These indemnifications generally are standard contractual terms and are entered into in the normal course of business. The maximum potential amount of future payments that the Company could be required to make under these indemnifications cannot be estimated. However, the Company believes that it is unlikely it will have to make material payments under these arrangements and has not recorded any contingent liability in the consolidated financial statements for these indemnifications.

THE GAUSSIAN GROUP, LLC
INDEPENDENT AUDITOR'S SUPPLEMENTARY REPORT ON
INTERNAL ACCOUNTING CONTROL
YEAR ENDED DECEMBER 31, 2006

KEMPISTY & COMPANY

CERTIFIED PUBLIC ACCOUNTANTS, P.C.

15 MAIDEN LANE - SUITE 1003 - NEW YORK, NY 10038 - TEL (212) 406-7272 - FAX (212) 513-1930

The Members of
The Gaussian Group, LLC
New York, New York

In planning and performing our audit of the financial statements of The Gaussian Group, LLC (the "Company") for the year ended December 31, 2006, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a) (11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System
3. Obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customer as required by Rule 15c3-3

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraphs. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

The Gaussian Group, LLC

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate. Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2006 to meet the Commission's objectives.

This report recognizes that it is not practicable in an organization the size of The Gaussian group, LLC to achieve all the divisions of duties and cross-checks generally included in a system of internal control, and that, alternatively, greater reliance must be placed on surveillance by management.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, The American Stock Exchange, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

New York, New York
February 22, 2007

THE GAUSSIAN GROUP, LLC

NOTES TO FINANCIAL STATEMENTS
December 31, 2006

NOTE 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Fair Value of Financial Instruments

The carrying value of financial instruments including income receivable, interest and dividends payable and accrued expenses, approximates their fair value due to the relatively short-term nature of these instruments.

Comprehensive Income

The Company adopted Statement of Financial Accounting Standards No. 130, "Reporting Comprehensive Income" (SFAS No. 130). SFAS No. 130 requires an entity to report comprehensive income and its components and increases financial reporting disclosures. This standard has no impact on the Company's financial position, cash flows or results of operations since no elements of the Company's comprehensive income exist other than the gain from operations.

Recent Accounting Pronouncements

The Company does not expect the adoption of recent accounting pronouncements to have any material impact on its financial condition or results of operations.

NOTE 3- INCOME TAXES

No provisions for federal and state income taxes are made in the financial statements as these taxes are the responsibility of the members under this form of organization.

NOTE 4- RECEIVABLE FROM AND PAYABLE TO BROKER-DEALERS AND CLEARING ORGANIZATIONS

Amounts receivable from the Company's clearing organization at December 31, 2006, consist of the following:

	<u>Payable</u>
Receivable from clearing broker	\$ <u>1,687,596</u>

THE GAUSSIAN GROUP, LLC

Financial Statements and Supplemental Schedules
