INDEPENDENT AUDITOR'S REPORT

To the Stockholder of
Schembra Securities, Inc.
Hilton Head Island, South Carolina

We have audited the accompanying statement of financial condition of Schembra Securities, Inc. (a South Carolina Corporation) as of April 30, 2007 and the related statements of operations, changes in stockholder's equity, and cash flows for year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with accounting standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Schembra Securities, Inc. as of April 30, 2007, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained on pages 8 and 9 is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5(d) under the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Schembra Securities, Inc.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED APRIL 30, 2007

1. *DESCRIPTION OF BUSINESS*

Schembra Securities, Inc. (the "Company") is a registered securities broker/dealer primarily engaged in the underwriting of real estate securities on an agency basis for issuers of such securities. The Company forwards all funds received to the issuers of securities, and all securities received to the investors.

The Company is a member of the National Association of Securities Dealers, Inc.

2. *SIGNIFICANT ACCOUNTING POLICIES*

Underwriting fee income is recorded when transactions between customers (investors) and issuers are completed and the funds are distributed.

The preparation of financial statements in conformity with accounting principles generally accepted in the united States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying footnotes. Actual results could differ from those estimates.

All of the Company's financial instruments are carried at fair value or amounts approximating fair value.

The Company has not presented a Statement of Comprehensive Income because it does not have any items of "other comprehensive income".

3. *INCOME TAXES*

At April 30, 2007, the Company's net operating loss available for carryforward to offset future taxable income and tax liabilities for income tax reporting purposes is approximately \$20,800 and expires in 2020.

4. *REGULATORY MATTERS*

As a broker dealer, the Company is subject to the minimum capital requirements adopted and administered by the Securities and Exchange Commission "SEC". At April 30, 2007, the Company had net capital, as defined by the SEC, of \$10,600 which was \$5,600 in excess of the \$5,000 capital required under SEC Rule 15c3-1.

Schembra Securities, Inc.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED APRIL 30, 2007

5. *CONCENTRATION OF CREDIT RISK*

At April 30, 2007, the Company had no significant credit concentration. The Company has established an escrow trust account at The Bank of New York ("BONY") to hold customers earnest money deposits. The funds are made payable directly to BONY and are held until the real estate closing and are disbursed by the closing attorney upon final closing. The Company does not have any access to or control of these funds. The balance in this account at April 30, 2007 was \$3,000.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL

To the Stockholder of

Schembra Securities, Inc.

Hilton Head Island, South Carolina

In planning and performing our audit of the financial statements of Schembra Securities, Inc. (a South Carolina Corporation) for the year ended April 30, 2007, we considered its internal control, including procedures for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission, we have made a study of the practices and procedures (including tests of compliance with such practices and procedures) followed by Schembra Securities, Inc. that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and in complying with the conditions of exemption from Rule 15c3-3. We did not review the practices and procedures followed by the Company in complying with the requirements for prompt payment for securities under Section 8 of Regulation T of the Board of Governors of the Federal Reserve System, because the Company does not carry security accounts for customers.

The management of the Company is responsible for establishing and maintaining an internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above-mentioned objectives. Two of the objectives of an internal control and the practices and procedures are to provide management with reasonable, but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control or the practices and procedures referred to above, errors or irregularities may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the internal control, including procedures for safeguarding securities, that we consider to be material weaknesses as defined above.

In addition, the Company was in compliance with the conditions of the exemptive provisions of Rule 15c3-3 at April 30, 2007 and, further, no facts came to our attention indicating that the Company was not in compliance with such conditions during the year ended April 30, 2007.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at April 30, 2007, to meet the Commissions' objectives.

This report is intended solely for the use of management, the Securities and Exchange Commission, the National Association of Securities Dealers, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 and should not be used for any other purpose.
