INDEPENDENT AUDITORS' REPORT

To the Sole Stockholder
HFR Investments, Inc.
Chicago, Illinois

We have audited the accompanying statement of financial condition of HFR Investments, Inc. (formerly known as Arbordale Hedge Investments, Inc.) as of December 31, 2006, and the related statements of income, changes in stockholder's equity, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of HFR Investments, Inc. as of December 31, 2006, and the results of its operations and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary schedules on pages 13 through 15 inclusive are presented for purposes of additional analysis and are not a required part of the basic financial statements, but are schedules required by Rule 17a-5 of the Securities and Exchange Commission. Such schedules have been subjected to the procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the financial statements taken as a whole.

HFR INVESTMENTS, INC.
(an Illinois Corporation)
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2006

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies which have been followed in preparing the accompanying financial statements is set forth below.

Nature of Business

HFR Investments, Inc. was formerly named Arbordale Hedge Investments, Inc. until May 1, 2006. The Company was incorporated on August 11, 1993 in the State of Illinois for various purposes including, but not limited to, the sale of direct participation programs ("DPP"). The Company's income is derived primarily from fees received in conjunction with its marketing of DPPs.

The Company is registered as a broker/dealer with the Securities and Exchange Commission and is a member of the National Association of Securities Dealers, Inc. ("NASD"). Its activities are limited to the sale of DPPs.

The Company does not hold customer funds or securities. Consequently, it is not subject to the Reserve Requirement as defined in Rule 15c3-3 under the Securities Exchange Act of 1934.

Income Taxes

The Company has elected to be treated as an "S Corporation" for federal tax purposes under the Internal Revenue Code, as amended. Consequently, for federal and state income tax purposes, the Company's income is directly taxable to the individual shareholders. However, the Company is subject to the Illinois Personal Property Replacement Tax of 1.5% of net income, as defined.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities (and disclosures of contingent assets and liabilities) at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

HFR INVESTMENTS, INC.
(an Illinois Corporation)
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2006
(continued)

NOTE 2 - COMMITMENTS

The Company entered into a lease agreement for office space, which either party can cancel on two months notice.

Rent expense for the year ended December 31, 2006 was approximately \$14,000.

NOTE 3 - MINIMUM CAPITAL REQUIREMENTS

As a registered "DPP" securities dealer the Company is subject to a minimum net capital requirement under (Rule 15c3-1) under the Exchange Act of 1934. The minimum is the greater of \$5,000 or one-fifteenth of aggregate indebtedness, as defined. As of December 31, 2006 the Company had net capital requirements and net capital of \$5,000 and \$46,282, respectively.

The net capital requirements could effectively restrict the payment of cash distributions, the purchase by the Company of its own stock and the making of unsecured loans to the shareholders.

NOTE 4 - OFF BALANCE SHEET RISK AND CONCENTRATION OF CREDIT RISK

The Company does not carry customer securities accounts as defined by Rule 15c3-3 of the Securities Exchange Act of 1934. Securities transactions are processed by the general partners or managers of the DPPs on a fully disclosed basis. In conjunction with this arrangement, the Company could become contingently liable for any unsecured debit balances in a customer account which introduced by the Company. These customer activities may expose the Company to off-balance-sheet risk in the event the customer is unable to fulfill its contractual obligations.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL ACCOUNTING
CONTROL
REQUIRED BY SEC RULE 17a-5**

To the Sole Stockholder
HFR Investments, Inc.
Chicago, Illinois

We have examined the financial statements of HFR Investments, Inc. (formerly Arbordale Hedge Investments, Inc.), for the year ended December 31, 2006, and issued our report thereon dated February 28, 2007. As part of our examination, we made a study and evaluation of the Company's system of internal accounting control (which includes the procedures for safeguarding securities) to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. The purpose of our study and evaluation, which included obtaining an understanding of the accounting system, was to determine the nature, timing, and extent of the auditing procedures necessary for expressing an opinion on the financial statements. Due to the small size of the small size of the Company and the limited number of accounts, we placed little reliance on the Company's internal controls and we tested 100% of the accounts.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (the "Commission"), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g), (1) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and the procedures for determining compliance with the exemptive provisions of rule 15c3-3. We did not review the practices and procedures followed by the Company in making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by rule 17a-13 or in complying with requirement for prompt payment for securities under section 8 of Regulation T of the Board of Governors of the Federal Reserve System, because the Company does not currently carry securities accounts for customers or perform custodial functions relation to customer securities.

The management of the Company is responsible for establishing and maintaining a system of internal accounting control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control

procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above-mentioned objectives. The objectives of a system and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal accounting control structure or the practices and procedures referred to above, errors or irregularities may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

We understand that the practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, except as noted above, we believe that the Company's practices and procedures were adequate at December 31, 2006 to meet the Commission's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the Securities and Exchange Commission and the National Association of Securities Dealers and should not be used for any other purpose.
