Independent Auditor's Report

To the Board of Directors of
Kuhns Brothers Securities Corporation
Lakeville, CT

We have audited the accompanying statement of financial condition of Kuhns Brothers Securities Corporation (the Company) as of December 31, 2006, and the related statements of income, changes in stockholders' equity, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 of the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Kuhns Brothers Securities Corporation as of December 31, 2006, and the results of their operations and their cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

The accompanying notes are an integral part of these financial statements.

KUHNS BROTHERS SECURITIES CORPORATION

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2006 (Amended)

NOTE 1- SIGNIFICANT ACCOUNTING POLICIES

Organization and Nature of Business

The Company was incorporated under the laws of the State of Delaware on March 15, 1999. It serves as a Broker Dealer in securities and provider of financial services.

Revenue And Expenses

Commission revenue and related expenses are recognized on the accrual basis using the trade date method.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities as of the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Property and Equipment

Property and equipment are recorded at cost. The cost of maintenance and repairs are charged to expense as incurred. Major improvements to property and equipment* are capitalized. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. Depreciation expense for 2006 was \$4,457.

Compensated Absences

Compensated absences for sick pay and personal time have not been accrued since they cannot be reasonably estimated. The Company's policy is to recognize these costs when actually paid.

NOTE 2- NET CAPITAL

As a broker-dealer, the Company is subject to the Securities and Exchange Commission's (SEC) regulations and operating guidelines, that require the Company to maintain a specified amount of net capital, as defined, and a ratio of aggregate indebtedness to net capital, as defined, not exceeding 15 to 1. The Company's net capital, as computed under 15c3-1, was \$114,052 at December 31, 2006, which exceeded required net capital of \$7,633 by \$106,419. The ratio of aggregate indebtedness to net capital at December 31, 2006 was 100.4%.

KUHNS BROTHERS SECURITIES CORPORATION

NOTES TO FINANCIAL STATEMENTS (Continued)

DECEMBER 31, 2006 (Amended)

NOTE 3- INCOME TAXES

There exist differences in timing of revenue and expense items between Generally Accepted Accounting Principles, the Internal Revenue Code, and the CT Tax code. Deferred income taxes summarizes these differences at the balance sheet date.

The provision for income taxes consists of the following:

	<u>Federal</u>	<u>State</u>	<u>Total</u>
Current	\$ 1,609	\$ 740	\$ 2,349
Deferred	<u>0</u>	<u>3,787</u>	<u>3,787</u>
	\$ 1,609	\$4,527	\$ 6,136

NOTE 4- CONCENTRATION OF CREDIT RISK

The Company is engaged in various trading and brokerage activities with counterparties. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the credit worthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty with which it conducts business.

NOTE 5- COMMITMENTS AND CONTINGENCIES

The Company is committed to an operating lease for office space. Approximate future minimum lease payments of all noncancelable operating leases for the next five years are as follows:

2007	\$101,754
2008	101,754
2009	101,754
2010	<u>101,754</u>
Total	<u>\$407,016</u>

Rent expense for the year ending December 31, 2006 was \$80,295.

The Company and its parent company, Kuhns Brothers, Inc. are involved in an arbitration case in which a former independent consultant World Creation Investment Ltd is alleging breach of contract and seeking damages of \$259,382 plus interest and fees, 254,328 shares of Sino Gas International Holdings, Inc.(SGAS) common stock and 93,430 underwriters warrants to purchase SGAS shares. As of December 31, 2006, the Company has not recorded a provision for this matter as management intends to vigorously defend these allegations and believes payment of the damages is not probable. The Company believes, however, that any liability it or its parent company may incur would not have a material adverse effect on its financial condition or its results of operations.

SCHEDULE II

KUHNS BROTHERS SECURITIES CORPORATION

COMPUTATION FOR DETERMINATION OF RESERVE REQUIREMENTS FOR BROKER/DEALER UNDER RULE 15c3-3 OF THE SECURITIES EXCHANGE ACT OF 1934

DECEMBER 31, 2006

Kuhns Brothers Securities Corporation is exempt from the reserve requirements of Rule 15c3-3 as its transactions are limited, such that they do not handle customer funds or securities, accordingly, the computation for determination of reserve requirements pursuant to Rule 15c3-3 and information relating to the possession or control requirement pursuant to Rule 15c3-3 are not applicable.

Independent Auditor's Report on Internal Control Structure Required by SEC Rule 17a-5

Board of Directors
Kuhns Brothers Securities Corporation

In planning and performing our audit of the financial statements and supplemental schedules of Kuhns Brothers Securities Corporation (the Company), for the year ended December 31, 2006, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons
2. Recordation of differences required by rule 17a-13
3. Complying with the requirements of prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe the Company's practices and procedures were adequate at December 31, 2006, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the Securities and Exchange Commission, The National Association of Securities Dealers, Inc. and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
