## INDEPENDENT AUDITORS' REPORT

To the Board of Directors of  
Becker & Suffern, Ltd.

We have audited the accompanying statement of financial condition of Becker & Suffern, Ltd., as of June 30, 2007, and the related statements of income, changes in stockholders' equity, cash flows, and changes in liabilities subordinated to claims of general creditors for the year ended June 30, 2007 that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Becker & Suffern, Ltd., as of June 30, 2007, and the results of their operations and their cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules 1 through 3 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplemental information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**BECKER & SUFFERN, LTD.**  
NOTES TO FINANCIAL STATEMENTS  
June 30, 2007

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

This summary of significant accounting policies of Becker & Suffern, Ltd. (the Company), is presented to assist in understanding the Company's financial statements. The financial statements and notes are representations of the Company's management, which is responsible for their integrity and objectivity.

***Nature of Operations***

The Company was incorporated as a broker and dealer in securities on October 12, 1995, primarily serving customers in Southeastern Louisiana. The Company operates as a nonclearing broker and, as such, has an agreement with a third-party broker/dealer to act as the Company's clearing broker to carry and clear its customers' margin and cash accounts and transactions on a fully-disclosed basis.

***Use of Estimates***

The presentation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

***Income Taxes***

Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax basis. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. There were no deferred tax assets or liabilities on June 30, 2007.

For the period ended June 30, 2007, the Company recorded income tax expense of \$875. The actual expense differs from the amount computed by applying the combined federal and state statutory income tax rates to income before income tax expense. These differences are primarily due to certain nondeductible expenses and the utilization of tax credits related to Hurricane Katrina.

**BECKER & SUFFERN, LTD.**  
NOTES TO FINANCIAL STATEMENTS - CONTINUED  
June 30, 2007

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

***Commission Income and Expenses***

Commission income and expenses from several types of securities transactions executed on behalf of customers are recorded on a settlement date basis, generally within three business days following the transaction date.

***Statement of Cash Flows***

For purposes of the statement of cash flows, the Company considers all highly liquid investments with a maturity of three months or less when purchased to be "cash equivalents". There were no cash equivalents at June 30, 2007.

NOTE 2 - DEPOSITS WITH CLEARING ORGANIZATION

A security deposit in the amount of \$25,000 is required by the Company's third-party broker/dealer, which acts as its clearing broker. This deposit is recorded at cost.

NOTE 3 - LIABILITIES SUBORDINATED TO CLAIMS OF GENERAL CREDITORS

Two \$22,500 subordinated notes payable at June 30, 2007, are outstanding pursuant to secured demand note collateral agreements for equity capital originally dated January 17, 1996. The subordinated liability is noninterest-bearing, is payable to stockholders of the Company and matures June 30, 2008. The secured demand notes are collateralized by marketable equity securities with a market value of approximately \$107,194 at June 30, 2007.

The secured demand note collateral agreements for equity capital have been approved by the National Association of Securities Dealers and are available in computing net capital under the Securities and Exchange Commission's Uniform Net Capital Rule. To the extent that such borrowings are required for the Company's continued compliance with minimum net capital requirements, they may not be repaid.

**BECKER & SUFFERN, LTD.**  
NOTES TO FINANCIAL STATEMENTS - CONTINUED  
June 30, 2007

**NOTE 4 - NET CAPITAL REQUIREMENTS**

The Company is a registered broker and dealer in securities and is subject to the Securities & Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1). Under the Uniform Net Capital Rule a broker and dealer who does not carry customers' accounts is required to maintain net capital, as defined in the Uniform Net Capital Rule, of \$50,000 or 6.67 percent of aggregate indebtedness, as defined, whichever is greater. The Uniform Net Capital Rule precludes the withdrawal of equity capital if the ratio of aggregate indebtedness to net capital exceeds 10 to 1. At June 30, 2007, the net minimum capital requirement was \$50,000 which the Company exceeded by \$50,388. The ratio of aggregate indebtedness to net capital was .10 to 1.0 at June 30, 2007.

**NOTE 5 - RELATED PARTY TRANSACTIONS**

During the year ended June 30, 2007, \$663,500 was paid to a company affiliated with Becker & Suffern, Ltd., through common ownership for management fees and reimbursement of operating costs. Becker & Suffern entered into a formal agreement with this affiliated Company commencing January 1, 2005, to provide maintenance services, management and administrative services as well as retirement plan accounting and consulting services. Consideration for these services is payable at \$50,000 per month. In addition to this monthly consideration, additional amounts can be billed for services outside of those specifically stated in the agreement.

The Company leases equipment and office space from a limited liability company controlled by two of the stockholders. The lease is for a term of one year and automatically renews annually. During the year ended June 30, 2007, rent in the amount of \$48,000 was paid on this lease. Future minimum lease payments under the terms of the lease agreement are as follows:

<u>Year Ending</u>	<u>Amount</u>
June 30, 2008	\$48,000

During the year ended June 30, 2007, \$480,233 was paid to a company affiliated with Becker & Suffern, Ltd., through common ownership for professional services. Becker & Suffern entered into a formal agreement with this affiliated Company commencing January 1, 2006, to provide marketing and management services. Consideration for these services is payable at \$120,000 per quarter. In addition to this quarterly consideration, additional amounts can be billed for services outside of those specifically stated in the agreement. The term of the agreement is for one year commencing January 1, 2006 and shall continue for like year terms thereafter until terminated by either party giving at least sixty days written notice.

**BECKER & SUFFERN, LTD.**  
NOTES TO FINANCIAL STATEMENTS - CONTINUED  
*June 30, 2007*

NOTE 6 - PROFIT-SHARING PLAN

The Company maintains a defined contribution 401(k) profit-sharing plan covering substantially all full-time employees at least 21 years of age who have completed at least one year of service. Contributions to the plan are made based on participants' compensation at the discretion of the Company. The plan also provides for discretionary company matching of employees' salary deferral up to 6 percent of employee compensation per year. The Company's contributions to the profit-sharing plan for the year ended June 30, 2007, totaled \$42,000.

*SCHEDULE 2*

*COMPUTATION FOR DETERMINATION OF RESERVE REQUIREMENTS  
PURSUANT TO RULE 15c3-3 OF THE SECURITIES AND EXCHANGE COMMISSION*

*For the Year Ended June 30, 2007*

The Company is exempt from the reserve requirements and the related computations for the determination thereof under paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934 as the Company carries no margin accounts, promptly transmits all customer funds and delivers all securities received in connection with its activities as a broker or dealer, does not otherwise hold funds or securities for, or owe money or securities to, customers and effectuates all financial transactions with customers through unaffiliated clearing organizations on a fully-disclosed basis.

During the year ended June 30, 2007, the Company has maintained compliance with the conditions for exemption specified in paragraph (k)(2)(i) of Rule 15c3-3.

## **INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5**

To The Board of Directors of  
Becker & Suffern, Ltd.

In planning and performing our audit of the financial statements and supplemental schedules of Becker & Suffern, Ltd. (the Company), for the year ended June 30, 2007, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities & Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g), in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in making quarterly securities examinations, counts, verifications and comparisons, and recordation of differences required by Rule 17a-13 or complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with U.S.

generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control on the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at June 30, 2007, to meet the SEC's objectives.

This report is intended solely for the information and use of management, the Board of Directors, the SEC, the New York Stock Exchange, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
