INDEPENDENT AUDITORS' REPORT

We have audited the accompanying balance sheets of Eide Bailly Securities LLC (a limited liability company) as of April 30, 2007 and 2006 and the related statements of operations, changes in member's equity and cash flows for the years then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Eide Bailly Securities LLC as of April 30, 2007 and 2006 and the results of operations and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II and III is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

EIDE BAILLY SECURITIES LLC
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2007 AND 2006

NOTE 1 - ORGANIZATION AND NATURE OF BUSINESS

Eide Bailly Securities LLC (EBS) is registered as a broker-dealer under the Securities Exchange Act of 1934 and is a member of the National Association of Securities Dealers (NASD). EBS is a registered broker-dealer in the state of South Dakota and is a wholly-owned subsidiary of Eide Bailly Financial Services, LLC.

The majority of EBS commission revenue is earned from a broker-dealer, which executes securities transactions including the sale of oil and gas interests, mutual fund investments and transfers on behalf of customers and also includes regulated life insurance products, such as variable annuity contracts and variable life insurance policies.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Cash and Cash Equivalents

EBS includes demand deposits in the category of cash and cash equivalents as presented in the cash flow statement.

Commissions Receivable

Receivable from broker represents accruals for commission amounts due from one broker-dealer. It is the EBS' policy to use the reserve method to write off uncollectible accounts. Amounts not paid within 30 days are considered past due. There were no amounts over 90 days past due as of April 30, 2007 and 2006. Management anticipates no substantial losses from present receivable balances. Therefore, there is no balance in the reserve at April 30, 2007 and 2006.

Revenue Recognition

Commission revenue and related expenses for mutual fund and securities transactions and variable annuity contract purchases are recorded on a trade-date basis. Commission revenue for life insurance policies are recorded when the insurance company approves the policy.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Taxes

EBS is organized as a limited liability corporation, wherein the members of EBS are taxed on their proportionate share of income, and no provision for income taxes is reflected in these financial statements.

NOTE 3 - NET CAPITAL REQUIREMENTS

EBS, as a registered broker and dealer in securities, is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1).

Under the computation provided by the Uniform Net Capital Rule, EBS is required to maintain net capital equal to the greater of \$5,000 or 6 2/3% of aggregate indebtedness. At April 30, 2007, EBS had net capital, as computed under the rule, of \$9,903 and its ratio of aggregate indebtedness to net capital was 2.12 to 1.

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - RELATED PARTIES

EBS has a single member owner, Eide Bailly Financial Services, LLC (EBFS) which is a holding company for various financial service entities. All indirect operating expenses of EBFS' related entities are paid for by EBFS including all compensation and related employee costs of financial services representatives. Direct expenses incurred and paid by EBS and EBFS through the Affiliate Expense Agreement between EBS and EBFS and certain expenses incurred by EBFS that are beneficial to the operations of EBS are allocated to and reimbursed by EBS and are recognized in the financial statements of EBS. As of April 30, 2007 and 2006, EBS owed \$20,540 and \$8,555, respectively, to EBFS for these expenses, which is recorded as a liability.
