INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and
Stockholders of

BASIC INVESTORS, INC.

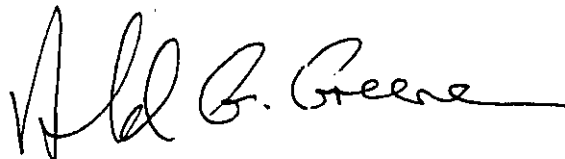

I have audited the accompanying statement of financial condition of Basic Investors, Inc. as of September 30, 2007 and the related statements of income, changes in stockholder's equity and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted the audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Basic Investors, Inc. as of September 30, 2007, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

My audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the supplementary schedules listed in the accompanying index is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 of the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

BASIC INVESTORS, INC.

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2007

1. ORGANIZATION :

Basic Investors, Inc. (the "Company") is a corporation conducting business as a broker-dealer registered with the Financial Industry Regulatory Authority (FINRA). Its clearing broker, Penson Financial Services, Inc., pursuant to a clearance agreement performs the clearing and depository operations for the Company's customer accounts. All customer transactions are cleared on a fully disclosed basis.

2. SIGNIFICANT ACCOUNTING POLICIES:

These financial statements have been prepared in conformity with generally accepted accounting principles, which require the use of estimates by management.

Commission revenue and related expenses are recorded on a settlement-date basis. For financial statement purposes, the difference between settlement-date basis and trade-date basis is not material.

3. RECEIVABLE FROM CLEARING BROKER:

The Company conducts business with its clearing broker, Penson Financial Services, Inc., on a fully disclosed basis. The Company earns commissions as an introducing broker for the transactions of its customers.

At September 30, 2007, the receivables from the clearing broker reflected on the statement of financial condition represents amounts due from the clearing broker.

The Company has agreed to indemnify its clearing broker for losses that the clearing broker may sustain from the customer accounts introduced by the Company. As of September 30, 2007 there were no amounts owed to the clearing broker by these customers in connection with normal margin, cash and delivery against payment transactions.

4. NET CAPITAL REQUIREMENTS:

As a broker-dealer and member organization of the Financial Industry Regulatory Authority (FINRA), the Company is subject to the Uniform Net Capital Rule 15c3-1 of the Securities and Exchange Commission, which requires that the Company maintain minimum net capital of 6-2/3% of aggregate indebtedness, as defined, or \$100,000, whichever is greater. At September 30, 2007, the Company had net capital of \$243,943, as indicated on page 8 of this audited report. In October 2007, the Company filed Part IIA of Form X-17a-5 (unaudited) and reported the same net capital of \$243,943.

5. INCOME TAXES:

The Company is organized as a Corporation and pays taxes based on the net income of the Company.

6. LEASE:

The Company has extended its lease, which will now expire on July 31, 2008, at a monthly rental of \$5,992.

Future minimum rental payments required as of September 30, 2007 over the remaining term of the lease amounts to approximately \$59,920.

7. LEGAL MATTERS:

- A. An Arbitration has been filed against the firm by a customer, which is being vigorously defended by the firm.

- B. An Arbitration was filed by the Company against a customer and former registered representative. They filed counter-claims against the Company. The case with the customer was settled, and the remaining issues with the former representative remain open and are being vigorously defended.

ACCOUNTANT'S REPORT ON INTERNAL ACCOUNTING CONTROL

To the Board of Directors and Stockholders of

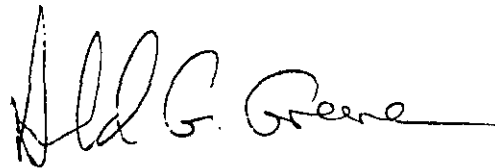

BASIC INVESTORS, INC.

I have examined the financial statements of Basic Investors, Inc., for the year ended September 30, 2007 and have issued my report thereon dated November 17, 2007. As part of the examination, I made a study and evaluation of the system on internal accounting control to the extent I considered necessary to evaluate the system required by the generally accepted auditing standards and Rule 17A-5 of the Securities and Exchange Commission. This study and evaluation included the accounting system, the procedures of safeguarding securities, and the practices and procedures followed by the client (i) in making the periodic computations of aggregate indebtedness and net capital under Rule 17A-3 (a) (11), the broker is exempt from compliance with Rule 15c3-3, and was in compliance with the conditions of the exemption, and no facts came to my attention indicating that such conditions had not been complied with during the year (ii) the broker does not maintain customer accounts nor handle securities, and I have reviewed the broker's practices for safeguarding securities that may be received by the broker for transmittal to a clearing organization. Rule 17A-5 states that the scope of the study and evaluation should be sufficient to provide reasonable assurance that any material weakness existing at the date of my examination would be disclosed. Under generally accepted auditing standards and Rule 17A-5, the purpose of such study and evaluation are to establish a basis for reliance thereon in procedures necessary for expressing an opinion of the internal accounting control.

The objective of internal accounting control is to provide reasonable, but not absolute, assurance concerning the safeguarding of assets against loss from unauthorized use or disposition and concerning the reliability of financial statements and maintaining accountability for assets. The concept of reasonable assurance recognized that the cost of a system of internal accounting control should not exceed the benefits derived and also recognizes that the evaluation of these factors necessarily requires estimated and judgments by management. However, for the purposes of this report under Rule 17A-5, the determination of weakness to be reported was made without considering the practicability of corrective action by management within the framework of a cost/benefit relationship.

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from misunderstanding of instructions, mistakes of judgment, carelessness, or other personal factors. Control procedures whose effectiveness depends on segregation of duties can be circumvented intentionally by management either with respect to the execution and recording of transactions or with respect to the estimates, projection or any evaluation of internal accounting control to future periods is subject to the risk that the procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

My study and evaluation of the system of internal accounting control for the year ended September 30, 2007 which was made for the purposes set forth in the first paragraph above and would not necessarily disclose all weaknesses in the system that may have existed during the period, disclosed no weaknesses that I believe to be material.

A handwritten signature in black ink that reads "Arnold G. Greene". The signature is written in a cursive style with a horizontal line at the end.
