Independent Auditor's Report

November 20, 2007

Board of Directors
Arlington Securities, Inc.
140 Marine Lane
St. Louis, Missouri 63146-2236

We have audited the accompanying Statement of Financial Condition of Arlington Securities, Inc., as of October 31, 2007, and the related Statements of Operations, Changes in Shareholder's Equity, Changes in Liabilities Subordinated to Claims of General Creditors and Cash Flows for the year then ended. These Financial Statements are the responsibility of the Corporation's management. Our responsibility is to express an opinion on these Financial Statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Financial Statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the Financial Statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall Financial Statement presentation. We believe our audit provides a reasonable basis for our opinion.

In our opinion, the Financial Statements referred to above present fairly, in all material respects, the financial position of Arlington Securities, Inc., at October 31, 2007, and the results of its operations and cash flow for the year then ended, in conformity with generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the basic Financial Statements taken as a whole. The information contained in Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic Financial Statements, but is supplementary information required by rule 17a-5 for the Securities and Exchange Commission. Such information has been subject to the auditing procedures applied in the audit of the basic Financial Statements and, in our opinion, is fairly stated in all material respects in relation to the basic Financial Statements taken as whole.

Arlington Securities Inc.
Notes to Financial Statements
Year Ended October 31, 2007

Note 1 - **Investments:**

All investments are considered trading investments and are recorded as market value of investments on the Balance Sheet. Interest, dividends, realized and unrealized gains and losses are included as investment income (loss) on the Income Statement.

Note 2 - **Capital Stock:**

The authorized, issued, and outstanding shares of capital stock at October 31, 2007, consists of Common stock, par value \$1; authorized 50,000 shares; issued and outstanding 23,850 shares.

Note 3 - **Agreements with Clearing Organizations:**

Arlington Securities has a fully disclosed clearing agreement with LaSalle Street Securities, Inc. The clearing agreement requires compliance with various terms by both parties.

Note 4 - **Net Capital Requirements:**

Arlington Securities is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1, or \$5,000, whichever is greater. At October 31, 2007, Arlington Securities had net capital of \$84,095, which was \$77,827 in excess of its minimum required net capital of \$6,268.

Note 5 - **Securities Investor Protection Corporation:**

Arlington Securities is a member of the Securities Investor Protection Corporation and has filed all assessment forms as required. The general assessment of \$150 was paid January 3, 2007 for the period ending December 31, 2007.

See Notes to Financial Statements

Note 6 - **Pension Plan**

Arlington Securities has a funded and unfunded noncontributory defined benefit pension plan that covers substantially all of its employees. The plan provides defined benefits based on years of service and final average salary. The plan became effective 11/1/01. The plan invests entirely in equity securities in the form of managed mutual fund shares. The long-term rate-of-return on assets has been determined by an enrolled actuary based upon historical return.

	<u>2007</u>
Present Value of Accrued Benefits	\$1,223,783
Fair Value of Plan Assets	<u>1,402,791</u>
Funded Status of Plan	<u>179,008</u>
Present Value of Vested Benefits	<u>1,223,783</u>
Employer Contribution	<u>\$ 200,000</u>
Participant Contribution	<u>\$ 0</u>
Benefits Paid	<u>\$ 0</u>

The plan was 100% invested in equity-oriented mutual funds on October 31, 2007.

The present value of vested accrued benefits was \$1,223,783 at October 31, 2007.

The oldest employee will reach the normal benefits retirement age in January 2010.

The actuarially computed minimum required contribution for next year is zero. However, \$100,000 has been budgeted to be contributed to the pension plan during the next fiscal year, which is less than the maximum deductible contribution.

See Notes to Financial Statements

No amounts from the plan are recognized in the Statement of Financial Condition.

The Employer Contribution to Pension Plan Expense was recognized in the Statement of Operation.

Weighted average assumption used to determine periodic benefit cost:

Investment Earnings:	<u>2007</u>
Pre-Retirement	7.00%
Post Retirement	6.00%
Salary Appreciation	
Rate Increase	0%

The pension plan fiscal year ends October 31st annually.

Brian G. Toennies & Associates, P.C.
9730 East Watson
St. Louis, MO 63126

November 19, 2007

Board of Directors
Arlington Securities, Inc.
140 Marine Lane
St. Louis, Missouri 63146-2236

In planning and performing our audit of the Financial Statements of Arlington Securities, Incorporated, for the year ended October 31, 2007, we considered its internal control structure, including procedures for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the Financial Statements and not to provide assurance on the internal control structure.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission, we have made a study of the practices and procedures (including tests of compliance with such practices and procedures) followed by Arlington Securities, Inc., that we considered relevant to the objective stated in Rule 15a-5(g), (1) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and the reserve required by Rule 15c3-3(e). We did not review the practices and procedures followed by the Corporation, (2) in making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by rule 17a-13; (3) in complying with the requirements for prompt payment for securities under Section 8 of Regulation T of the Board of Governors of the Federal Reserve System; and (4) in obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by Rule 15c3-3, because the Corporation does not carry security accounts for customers or perform custodial functions relating to customer securities.

The management of the Corporation is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgements by management are required to assess the expected benefits and related costs of internal control structure policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above-mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Corporation has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparing of Financial Statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control structure or the practices and procedures referred to above, errors or irregularities may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level of the risk that errors or irregularities in amounts that would be material in relation to the Financial Statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the internal control structure, including procedures for safeguarding securities that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purpose in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Corporation's practices and procedures were adequate at October 31, 2007, to meet the Commission's objective.

This report is intended solely for the use of management, the Securities and Exchange Commission, the New York Stock Exchange and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 and should not be used for any other purpose.

Sincerely,

A handwritten signature in cursive script that reads "Brian G. Toennies".

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level of the risk that errors or irregularities in amounts that would be material in relation to the Financial Statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the internal control structure, including procedures for safeguarding securities that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purpose in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Corporation's practices and procedures were adequate at October 31, 2007, to meet the Commission's objective.

This report is intended solely for the use of management, the Securities and Exchange Commission, the New York Stock Exchange and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 and should not be used for any other purpose.

Sincerely,

Brian G. Toennies
Certified Public Accountant
