INDEPENDENT AUDITOR'S REPORT

Board of Directors and Stockholders  
Crescent Securities Group, Inc.

We have audited the accompanying statement of financial condition of Crescent Securities Group, Inc. as of September 30, 2007 and the related statements of income, changes in stockholders' equity, changes in liabilities subordinated to claims of general creditors, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Crescent Securities Group, Inc. as of September 30, 2007, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

CRESCENT SECURITIES GROUP, INC.

Notes to Financial Statements

September 30, 2007

Note 1 - Summary of Significant Accounting Policies

Crescent Securities Group, Inc. (the "Company") is a broker-dealer in securities registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Company operates under (SEC) Rule 15c3-3 (k)(2)(ii) which provides that all the funds and securities belonging to the Company's customers would be handled by a clearing broker-dealer. The Company is a wholly-owned subsidiary of Duren/McNairy Holdings, Inc. (the "Parent").

Security transactions are recorded on a trade date basis. Commission income and expenses are recorded on a settlement date basis, generally the third business day following the transaction. If materially different, commission income and expenses are recorded on a trade date basis.

The majority of the Company's customers are located in the Dallas metroplex area.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

For purposes of reporting cash flows, the Company has defined cash equivalents as highly liquid investments, with original maturities of less than ninety days, that are not held for sale in the ordinary course of business.

Compensated absences have not been accrued because the amount cannot be reasonably estimated.

Loans to Parent are reflected as a contra-equity account.

Note 2 - Net Capital Requirements

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities and Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis. At September 30, 2007, the Company had net capital of approximately \$75,329 and net capital requirements of \$5,000. The Company's ratio of aggregate indebtedness to net capital was .15 to 1. The Securities and Exchange Commission permits a ratio of no greater than 15 to 1.

CRESCENT SECURITIES GROUP, INC.

Notes to Financial Statements

September 30, 2007

Note 3 - Possession or Control Requirements

The Company does not have any possession or control of customer funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of (SEC) Rule 15c3-3(k)(2)(ii) by promptly transmitting all customer funds and securities to the clearing broker who carries the customer accounts.

Note 4 - Income Taxes

The Company files a consolidated income tax return with the Parent. Income taxes are recorded using the separate company method to comply with FASB Statement 109. Any resulting provision or benefit for income taxes is recorded as receivable from or payable to the Parent. There was no payable due to Parent at September 30, 2007 related to income taxes.

Note 5 - Related Party Consulting Agreements

The Parent has agreed by contract to provide telephone service, administrative services, office equipment and other overhead expenses to the Company. Expenses incurred under this contract through September 30, 2007 were \$64,562.

Note 6 - Commitments and Contingencies

Included in the Company's clearing agreement with its clearing broker-dealer, is an indemnification clause. This clause relates to instances where the Company's customers fail to settle security transactions. In the event this occurs, the Company will indemnify the clearing broker-dealer to the extent of the net loss on the unsettled trade. Management of the Company had not been notified by the clearing broker-dealer, nor were they otherwise aware, of any potential losses relating to this indemnification.

Notes 7 - Loan to Parent

The loan of \$633,390 to Parent was a non-interest bearing note due with no terms.

Independent Auditor's Report

On Internal Control

Required By SEC Rule 17a-5

Year Ended

September 30, 2007

**CF & Co., L.L.P.**

CERTIFIED PUBLIC ACCOUNTANTS  
& CONSULTANTS

INDEPENDENT AUDITOR'S REPORT ON INTERNAL  
CONTROL REQUIRED BY SEC RULE 17a-5

The Board of Directors and Stockholders  
Crescent Securities Group, Inc.

In planning and performing our audit of the financial statements and supplemental schedules of Crescent Securities Group, Inc. (the "Company"), for the year ended September 30, 2007, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(1) of the Securities Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons
2. Recordation of differences required by rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives.

Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with accounting principles

14175 Proton Road • Dallas, Texas 75244-3604 • Phone: 972-387-4300 • 800-834-8586 • Fax 972-960-2810 • [www.cfllp.com](http://www.cfllp.com)

generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at September 30, 2007, to meet the SEC's objectives.

This report is solely for the information and use of the Board of Directors, management, the SEC, the Financial Industry Regulatory Authority, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is to be and should not be used by anyone other than these specified parties.
