INDEPENDENT AUDITORS REPORT

To the Member of Anchin Capital Advisors LLC:

We have audited the accompanying statement of financial condition of Anchin Capital Advisors LLC (the "Company") as of September 30, 2007. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes consideration of internal control over the financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement as well as assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of Anchin Capital Advisors LLC as of September 30, 2007 in conformity with accounting principles generally accepted in the United States of America.

ANCHIN CAPITAL ADVISORS LLC
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2007

NOTE 1 - ORGANIZATION AND NATURE OF BUSINESS

Anchin Capital Advisors LLC (the "Company") was organized in New York on April 23, 2003, as a limited liability company. The Company is a wholly owned subsidiary of ABA Platinum Group, LLC (the "Parent") and is a component of a larger business enterprise. Its officers, personnel and other support are provided by that entity.

The Company is a registered broker with the Securities and Exchange Commission (SEC) and became a member of the National Association of Securities Dealers, Inc. (NASD) on February 17, 2004. The Company offers services including private investment banking services, merger and acquisition services, financial forecasts and projections, strategic planning, market research and financing alternatives. The Company will also make referrals to other NASD member firms for the sale of certain securities.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

The Company recognizes revenue from its services at the time the transaction is closed and when income is reasonably determinable.

The preparation of financial statements in conformity with generally accepted accounting principles may require the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

The Company's financial instruments consist primarily of cash and receivables, accounts payable and accrued liabilities. The Company believes all of the financial instruments are recorded at values which approximate current values due to the short-term nature of these instruments. For financial reporting purposes, the Company has defined cash and cash equivalents as highly liquid investments with original maturities of less than 90 days, that are not held for sale in the ordinary course of business.

NOTE 3 - INCOME TAXES

For tax purposes, the Company is treated as a disregarded entity because it is a wholly owned limited liability company. Thus the assets, liabilities, and items of deduction and credit are treated as those of the Parent.

NOTE 4 - ACCOUNTS PAYABLE AND ACCRUED EXPENSES

At September 30, 2007, accounts payable and accrued expenses consisted primarily of \$178,159 for direct costs payable to the Parents' affiliate (See Note 5), and \$5,500 for other operating expenses.

**ANCHIN CAPITAL ADVISORS LLC
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2007**

NOTE 5 - RELATED PARTY TRANSACTIONS

The Company entered into an agreement with the Parent on January 1, 2004 whereby the Parent would pay on behalf of the Company primarily all of the overhead and administrative expenses. The Parent charges the Company for its share of these expenses. For the year ended September 30, 2007, the Company's share of the administrative service charges, occupancy, computer and office expenses amounted to \$120,225, and is reflected in the statement of income in those categories. In addition, the Parent's affiliate ("Affiliate") provides personnel for specific engagements entered into by the Company with its clients. The personnel costs related to these engagements are billed to the Company by the Affiliate at the time these services are rendered and are payable to the Affiliate at that time. Such costs are reflected on the statement of income as direct costs. For the year ended September 30, 2007, these costs amounted to \$580,617, of which \$178,159 (See Note 4) remained unpaid to the Affiliate at September 30, 2007, and are included in the Company's liabilities at that date.

NOTE 6 - CONCENTRATION OF CREDIT RISK

The Company maintains its cash balance in a bank account which balance, at times, may exceed federally insured limits. At September 30, 2007, the Company had a cash balance of \$226,498 in a non-interest bearing checking account, and two certificates of deposit totaling \$950,000 bearing interest at market rates maturing at various dates through December 12, 2007.

NOTE 7 - NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Net capital and aggregate indebtedness change from day to day. At September 30, 2007, the Company had net capital of \$984,284 which was \$972,041 in excess of its required minimum net capital of \$12,243. The Company's ratio of aggregate indebtedness to net capital was 0.19 to 1.
