## INDEPENDENT AUDITORS' REPORT

To the Member of FutureTrade Securities, LLC  
(A wholly owned subsidiary of FutureTrade Technologies, Inc.)

We have audited the accompanying statement of financial condition of FutureTrade Securities, LLC (the "Company") (a wholly owned subsidiary of FutureTrade Technologies, Inc.) as of September 30, 2007, that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial condition presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of FutureTrade Securities, LLC as of September 30, 2007, in conformity with accounting principles generally accepted in the United States of America.

## NOTES TO FINANCIAL STATEMENT

---

### 1. Organization

FutureTrade Securities, LLC (the "Company"), a wholly owned subsidiary of FutureTrade Technologies, Inc. (the "Parent"), is a broker-dealer registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company executes and clears its securities transactions on a fully disclosed basis with a clearing broker and, accordingly is exempt from Rule 15c3-3 of the SEC.

### 2. Summary of significant accounting policies

#### *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### *Securities Transactions*

Customer commission revenue and related clearing expenses are recorded on a trade-date basis.

#### *Cash Equivalents*

The Company considers all highly liquid investments purchased with original maturities of three months or less to be cash equivalents.

#### *Restricted Cash and Expenses Paid on Behalf of Clients*

The Company has entered into contracts with certain of its clients under which it utilizes a portion of the commission from such clients to pay research, services and other expenses on behalf of such clients. It is the Company's policy to recognize as revenue only those amounts that involve a financial commitment and assumption of credit risks by the Company. For the year ended September 30, 2007, the Company collected \$4,724,655 under such agreements, of which \$976,034 has been classified as revenues. As of September 30, 2007, amounts collected in excess of payments made were \$1,119,266 of which \$51,498 is included in payables to broker-dealers and clearing organizations and \$1,067,768 in accounts payable and accrued liabilities in the accompanying statement of financial condition. These amounts will be paid in the normal course of business.

Pursuant to the requirements of subparagraph (k)(2)(i) of SEC Rule 15c3-3, the Company has established a special cash account for the exclusive benefit of certain of its customers to fund and pay amounts collected for the payment of expenses on behalf of such customers. Funds for customers for which the Company has not assumed a contractual commitment for all of their research-related services are segregated and paid from this account. As of September 30, 2007, the total funds available to pay expenses for these customers aggregated \$1,067,768, and this amount is included as restricted cash in the accompanying statement of financial condition.

# FUTURETRADE SECURITIES, LLC

(A wholly owned subsidiary of FutureTrade Technologies, Inc.)

## NOTES TO FINANCIAL STATEMENT

---

### 2. Summary of significant accounting policies (continued)

#### *Income Taxes*

The Company files a consolidated income tax return with its Parent. The accompanying financial statements provide for income taxes as if the Company filed a separate return. Income taxes are accounted for under Statement of Financial Accounting Standards ("SFAS") No. 109, *Accounting for Income Taxes*, which requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of temporary differences between the carrying amounts and the tax bases of assets and liabilities.

#### *Fair Value of Financial Instruments*

Substantially all of the Company's financial instruments are carried at fair value. Receivables and payables are carried at cost, which approximates fair value.

#### *Goodwill*

Effective January 1, 2002, as required by SFAS No. 142, *Goodwill and Other Intangible Assets*, the accounting for goodwill changed from an amortization method to an impairment-only approach. SFAS No. 142 requires the recoverability of goodwill to be evaluated if events or circumstances indicate a possible impairment. If impairment of the goodwill is determined, then a loss would be recorded. As of September 30, 2007, management determined that goodwill was not impaired.

### 3. Contingencies

#### *Settlement of Securities Transactions*

The Company is obligated to settle transactions with brokers and other financial institutions even if its customers fail to meet their obligations to the Company. Customers are required to complete their transactions on the settlement date, generally three business days after the trade date. If customers do not fulfill their contractual obligations, the Company may incur losses.

#### *Contracted Client Expenses*

The Company has entered into arrangements involving a financial commitment for the payment of research, services and other expenses on behalf of certain clients. To the extent that the Company does not earn sufficient commission to cover these commitments, it may incur losses in connection with these commitments. Generally, the commitments are cancelable upon 30 days notice and Company regularly monitors and accesses the status of outstanding commitments and customer trading activity.

# **FUTURETRADE SECURITIES, LLC**

(A wholly owned subsidiary of FutureTrade Technologies, Inc.)

## **NOTES TO FINANCIAL STATEMENT**

---

### **4. Concentration of credit risk**

The Company is engaged in various trading and brokerage activities. Counterparties to these activities primarily include broker-dealers, banks and other financial institutions. For the year ended September 30, 2007, eight customers represented approximately 34% of the Company's commission and fees revenue. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty with which it conducts business. In the normal course of business, the Company maintains cash balances that at times exceed federally insured limits.

### **5. Related party transactions**

The Parent charges certain expenses solely related to the sales and support of securities transactions paid by the Parent to the Company and provided certain operational and general administrative services on behalf of the Company. Payables due to the Parent resulting from these services are settled in the normal course of business. As of September 30, 2007, the Company had payables due to the Parent of \$116,263.

### **6. Net capital requirements**

The Company is subject to SEC Uniform Net Capital Rule 15c3-1, which requires the maintenance of minimum net capital and that the ratio of aggregate indebtedness to net capital, both of which are defined terms, shall not exceed 15 to 1. At September 30, 2007, the Company had net capital of \$3,258,316, which was \$3,008,316 in excess of its required net capital of \$250,000. The Company's ratio of aggregate indebtedness to net capital was 0.63 to 1 at September 30, 2007.

### **7. Subsequent events**

During October 2007, the Company advanced \$300,000 to the Parent.

In November 2007, the Parent entered into an agreement pursuant to which it will be acquired by Interactive Brokers Group. The transaction is expected to close in December 2007.

**END**
