Manson Creek Announces Non-Brokered Financing

Manson Creek Resources Ltd. ('Manson Creek') is pleased to announce a proposed non-brokered private placement of up to 4,600,000 non flow-through ("NFT") units at a price of \$0.10 per NFT Unit and up to 916,666 common shares of Manson Creek to be issued on a flow-through basis ("FT Shares") at a price of \$0.12 per FT Share, for combined gross proceeds of up to \$570,000.

Each NFT Unit will consist of one common share and one-half of one share purchase warrant. Each whole warrant will entitle the holder to purchase an additional NFT common share at a price of \$0.13 for a period of 24 months from closing.

The Units will be offered by way of private placement to accredited investors and any securities issued will be subject to a hold period of four months plus one day from the date of closing. This financing is subject to regulatory approval.

A cash commission of 7.5% of the gross proceeds of the financing will be payable to eligible agents upon closing of the private placement.

Proceeds of the financing are to be used to fund a portion of the proposed 2007 exploration program and for general working capital.

Key projects for 2007 will include exploration on the Black Lake uranium property, diamond drilling on the Meridian gold-silver property, and diamond drilling on the CR copper-molybdenum project.

All statements, other than statements of historical fact, in this news release are forward-looking statements that involve various risks and uncertainties, including, without limitation, statements regarding the potential extent of mineralization and reserves, exploration results and future plans and objectives of Manson Creek Resources Ltd. These risks and uncertainties include, but are not restricted to, the amount of geological data available, the uncertain reliability of drilling results and geophysical and geological data and the interpretation thereof and the need for adequate financing for future exploration and development efforts. There can be no assurance that such statements will prove to be accurate. Actual results and future events could differ materially from those anticipated in such statements. These and all subsequent written and oral forward-looking statements are based on the estimates and opinions of management on the dates they are made and are expressly qualified in their entirety by this notice. The Company assumes no obligation to update forward-looking statements should circumstances or management's estimates or opinions change.
