**Norilsk Nickel board member Guy de Selliers named laureate of Director of the year 2006 award**

Member of the Board of Directors of MMC Norilsk Nickel Mr. Guy de Selliers was named Independent Director 2006 within the National Award Director of the Year 2006.

The Independent Directors Association and international audit consultancy PricewaterhouseCoopers initiated and organized the National Award.

Pre-nomination research analyzed information about 166 independent directors representing 90 companies. Public and private companies representing nearly every industrial sector and financial sector were in the focus of this research.

Mr. Guy de Selliers has been working as a member of MMC Norilsk Nickel's Board of Directors since 2002. Since 2004 he took charge of the Board's Audit Committee responsible for revising all material issues related to financial reporting including IFRS-based reporting. The Management Board and the Board of Directors of the Company consider the contribution of the Committee and personally Mr. Guy de Selliers as helpful and efficient which is reflected in the growing market capitalization of MMC Norilsk Nickel.

Guy de Selliers was born on June 14, 1952. He holds a degree in technical sciences and in economics. His previous occupations include positions with the World Bank, the European Bank for Reconstruction and Development, the positions of Advisor to the European Commission, Head of private group of consultants for development of strategies to implement EU support programs in CIS countries. Since 2002 Mr. Guy de Selliers is Co-Chairman of the Expert Group providing advice to the European Commission and the Government of Russian Federation in mutually beneficial energy projects.

In addition, as a result of the survey among experts and broader readership, administered by Komsomolskaya Pravda newspaper, Norilsk Nickel took the title of Impeccable Reputation 2006 within the National Award of the same name, leaving behind peer metallurgy market players.

The Annual National Award Impeccable Reputation was founded in October 2002 as a hit parade for companies that managed to earn their excellent reputations through outstanding business performance and through ongoing commitment to addressing public concerns.

**FFMS consolidated issues of MMC Norilsk Nickel's shares**

2007 JAN -3 P 12:55

OFFICE OF INTERNATIONAL  
CORPORATE RELATIONS

The Federal Financial Markets Service (FFMS) has informed MMC Norilsk Nickel that it resolved on December 12, 2006 to consolidate issues No.1-04-40155-F and No. 1-05-40155-F of ordinary registered non-documentary shares of MMC Norilsk Nickel.

The Company requested that FFMS approve the consolidation of these issues of shares based on the Resolution by Federal Commission for Markets Service dated April 1, 2003 No. 03-18/nc On the Procedure of Consolidation of Additional Issues of Securities.

Shares of these two issues had identical par values and guaranteed their owners identical sets of rights. It means that the outstanding stock of the Company remains the same at 190,627,747 shares with par value of 1 ruble per share. The state registration number for the consolidated issue is 1-01-40155-F.

“We initiated the consolidation because the circulation of two share issues had caused difficulties for market players. We are happy that jointly with the Federal Financial Markets Service we have managed to resolve this technical issue”, says Dmitry Usanov, Head of Investor Relations at the Company.

The new state registration number will be automatically assigned to the shares of the two outstanding issues and shareholders of the Company will not have to make any relevant efforts.
