OFFICE OF INTERNATIONAL
CORPORATE FINANCE**Company news****CenterTelecom entered list of best Russian public companies**

Moscow, December 7, 2006. CenterTelecom took 29 position according to the results of the research of Russian companies publicity, shares of which are trade at the RTS, MICEX, London and New-York stock exchanges, conducted by «Sekret Firmy» magazine.

At the first stage of the companies survey the movement of prices for the shares of the Russian participants of stock markets within the period from October 3, 2005 to October 3, 2006 was analyzed. The conducted assessment allowed to select 50 issuers, the prices for shares of which during the mentioned period had showed the highest growth rate with the trade volume of at least 20 million rubles. At the second stage of the survey the leading industry analytics of the Russian and foreign investment funds analyzed the key financial and economic indexes of the leading companies in compliance with 8 criteria, which included company's position in industry, business geography, level of business diversification, quality of financial management and structure of stock capital and investment attractiveness of company.

During the further analysis of expert appraisals, for each participant of the rating the average score for companies ranking and coefficient of ideality showing at what extent the final result differs from the maximum possible were defined. The leaders of the rating also became enterprises from banking, energy, petrochemical, transport and other sectors of the economy, including Saving Bank of Russia, «Aeroflot - Russian airlines», MMC «Norilsk Nickel», RAO UES of Russia, KAMAZ, OJSC «Rostelecom» etc.

Making comments on the results of the survey General Director of OJSC «CenterTelecom» Sergei Pridantsev noted that the position, which had been taken by CenterTelecom in the list of the best public companies allowed to speak about positive assessment of the reforms under way in the Company by the representatives of the stock market and analytics.

RTCOMM and CenterTelecom will connect to Internet 11 373 schools of the Central Federal District

Moscow, November 24, 2006. RTCOMM and OJSC «CenterTelecom» will provide 11 373 educational institutions of the Central Federal District with Internet access in 2006-2007.

In September of 2006 for implementation of the national project «Education» the RF Ministry of Education and Science together with the RF Ministry of Information Technologies and Communication held tender in order to choose the project contractor, which will provide 52 940 Russian educational institutions with Internet access. According to the results of the tender, the project contractor is to be the national communication operator «RTCOMM», which will provide educational institutions with round-the-clock unlimited Internet access till the end of 2007. According to the terms and conditions of the agreement concluded with RTCOMM, CenterTelecom with its highly developed telecommunication infrastructure in 17 of the Central Russia will render Internet traffic transit services within «last mile» from the educational institutions to the Internet access nodes at the speed of at least 128 Kbit/s.

In the course of the agreement implementation, in 2006 OJSC«CenterTelecom» plans to provide broadband access to the Global Network via high-speed technology ADSL 2+ and with the speed of incoming traffic of 128 Kbit/s to 4 648 schools of the CFD and 6 725 educational institutions in 2007.

General Director of OJSC «CenterTelecom» Sergei Pridantsev noted that the participation in the national project «Education» would become one of the Company's business priorities in 2007. «Today it is difficult to overestimate the role of information technologies for education. Information and communication technologies open truly unlimited world of global science for schoolchildren and help to form a new type of thinking - the thinking of a man of information community age. And I'm glad that CenterTelecom has opportunity to participate in implementation of such amplitudinous project», - he said.

Data-Centers of RTCOMM are situated in Moscow, Novosibirsk and Rostov-on-Don. Regional representative offices: RTComm-Siberia, RTComm -South, BashRTComm.

Company news

Standard & Poor's upgraded Corporate Governance Rating of OJSC «CenterTelecom»

Moscow, November 23, 2006. International rating agency Standard & Poor's raised Corporate Governance Score (CGS) of OJSC «CenterTelecom» from CGS – 4+ to CGS – 5 on the International Scale and from CGS – 4.9 to CGS – 5.0 on the Russian National Scale.

Credit rating upgrade is related to the increase of the score on the «Financial transparency, disclosure and audit» component from 4/4.5 to 5/5.3 in connection with the positive changes in the practice of information disclosure about the tax claims at the amount of about 85.5 million dollars asserted to the Company in April of 2006. According to Standard & Poor's experts, OJSC «CenterTelecom» Management made sufficient comments on the tax claims asserted to the Company in mass media, which allowed investors and analytics to assess their essence and risks related to them.

Analytics of the agency assess CGS of OJSC «CenterTelecom» by four components of the analysis on the International and the Russian National Scales — with gradation of score from 1 to 10:

- Ownership structure and external influences – 4/4.6
- Shareholder rights and stakeholder relations – 7/7.0
- Financial transparency, disclosure, and audit – 5/5.3 (upgraded from 4/4,5)
- Board structure and effectiveness – 4/4.3

Making comments on the decision of the rating agency, General Director of OJSC «CenterTelecom» Sergei Pridantsev noted that the upgrade of CGS on the International and Russian Scales gave positive assessment of the reforms conducted in CenterTelecom and aimed at the achievement of the Company's corporate governance correspondence with the high world standards. «Policy of the maximum transparency, openness and accessibility of all interested persons to the core information implemented by OJSC «CenterTelecom» will result in the Company's rating upgrade in the future», - he said.

Company news

CenterTelecom is among 20 most transparent Russian companies

Moscow, November 10, 2006. According to the results of the annual survey of the Russian companies' information transparency conducted by Standard&Poor's, OJSC «CenterTelecom» was included in the list of leaders and took the 19th place among 70 Russian participants of the survey. The total level of information transparency of CenterTelecom in 2006, according to the assessment of the agency's experts, made 62%.

For its survey Standard & Poor's chose Russia's largest public companies, which have the most liquid shares and had passed the listing at the Moscow Interbank Currency Exchange (quoted lists «A» of the 1st and 2nd level). During the analysis, the level of information transparency of three main public sources were being estimated: annual reports, web sites and the reports filed to the governing bodies. The supplementary element of this year survey became the analysis of the corporate governance structures of the Russian companies. The methodology of the survey is based on 106 criteria arranged into three groups: ownership structure and shareholders rights, financial and operating information, structure and procedure of Board of Directors and management activities.

Transparency rating of OJSC «CenterTelecom»

Position			Total score, %			Transparency level by components		
2006	2005	2004	2006	2005	2004	Ownership structure and shareholders rights, %	Financial and operating information, %	Structure and procedures of Board of Directors and management, %
19	13	10	62	63	62	64	62	61

Making comments on the results of the survey, General Director of OJSC «CenterTelecom» Sergei Pridantsev noted, that development of the conversation with financial and investment community is one of the first-priority tasks for OJSC «CenterTelecom». «Information transparency is one of the most important elements of the investors confidence forming. We are trying to correspond to the highest world standards of transparency increasing the level of information transparency and the quality of corporate governance with due consideration of the leading international experts opinion», - he said.

Company news

CenterTelecom was recognized as a winner of «Transparency Rating 2006» in «Corporate Buyer» category

Moscow, December 8, 2006. OJSC «CenterTelecom» was recognized as a leader in «corporate buyers» category of the National Rating of Purchase Transparency 2006 prepared by the National Association of Electronic Trade Participants in cooperation with Multiregional Social Movement «Against Corruption» under the auspices of Russia's State Duma Commission on Corruption Counteraction, the Federal Antimonopoly Service of Russia, Accounts Chamber of the RF and the General Prosecutor Office of the RF.

In the framework of the survey related to analysis of the transparency and effectiveness issues of procurement activities of the largest state organizations and corporate sector and influence of corruption on the national procurement market, experts conducted assessment of the procurement procedures transparency of 250 largest Russian buyers, including: 90 state buyers of the Federal level; 50 constituent entities of the Russian Federation; 50 municipal buyers; 60 companies from the key economic sectors, natural monopolies inclusive.

The rating methodology is based on the detailed analysis of the current procurement practice. The key factor, which affects the score given to the procurement activities of the rating participants, is compliance with the transparency standards and economic efficiency of procurement activities.

According to the results of the survey, the best in the category of state buyers of the Federal level were recognized Moscow, Saint-Petersburg and the Republic of Tatarstan, in the category of corporate buyers - OJSC «CenterTelecom» and OJSC «Magnitogorsk metallurgical combine». Leaders in the federal and municipal buyers categories were not determined, which, according to the experts, shows presence of serious system problems in the practice of transparent and competitive procurement principles underlying the Law 94-ФЗ «About placement of orders for goods deliveries, provision of works and services for state and municipal needs» dated 21.07.05, which has come into force this year.

Chairman of the RF State Duma Commission on Corruption Counteraction Mikhail Grishankov addressing to the participants of the Solemn Ceremony of Awarding leaders of the National Rating of Purchase Transparency 2006 noted that creation of reliable legislative barriers for corruption and elimination of law prerequisites for acts of corruption are the principal activities of the Commission. He also emphasized: «National Rating of Purchase Transparency has everything necessary for becoming a successful example of constructive social participation in increase of state structures activities transparency, their openness for control carried out by the civil society. Highly appreciating the potential of the transparency rating, we hope that implementation of the Project will become a useful supplement to the efforts of the State Duma in the field of corruption prevention and counteraction».

As to the Head of the Federal Antimonopoly Service of the RF, the rating will help to develop competitiveness between suppliers due to equal access to order, and the Prosecutor Office and Accounts Chamber of the RF may show interest to the results of the survey. "Companies with low transparency level will become the first candidates for check-ups", - said Head of the FAS Department Mikhail Evraev making comments for «Vedomosti» newspaper.

The highest transparency level «PP++ guaranteed transparency» assigned to the OJSC «CenterTelecom» corporate system of procurement shows that procurement activities of the Company is characterized by high economic efficiency, responds to the principles of transparency and information openness of procurement operations, and is also remarkable for high receptibility to the conditions of the key markets of products purchased by it.

Speaking at the Solemn Ceremony of Awarding leaders of «National Rating of Purchase Transparency 2006», General Director of OJSC «CenterTelecom» Sergei Pridantsev noted that during the organization of material and technical resources procurement system for the Company's needs special attention was paid to the maximum usage of competitive instruments and achievement of economic

efficiency in the form of funds saving. As to his words, making purchases CenterTelecom was consistent with the principles of information and procedure openness trying to create optimum conditions for equal right rivalry between suppliers.

«As one of the largest Russian companies we are interested in implementation of projects aimed at the increase of the business transparency. Organization and conduction of electronic purchases allowed us to supplement effectively the package of measures carried out by the Company for costs optimization and transparency level improvement. Besides that, public sale significantly decreased the influence of human factor while choosing supplier and created a necessary basis for more grounded assessment of purchases price», - emphasized Sergei Pridantsev. He also reminded that in 2006 CenterTelecom conducted a number of auctions in electronic form for purchasing of consumables for the needs of the Company's branches, which turned out to be the largest in volumes not only in Russia but in the world.

Company news**CenterTelecom fulfilled obligation on offer**

Moscow, November 17, 2006. Holders of interest-bearing non-convertible series 04* bonds of OJSC «CenterTelecom» haven't used their right to present the bonds for redemption under conditions of public irrevocable offer.**

During the Bonds Presentation Period on the offer, October 19 – November 9 of the current year, Purchasing Agent (OJSC JSCB «ROSBANK») didn't receive any notification about sale of OJSC «CenterTelecom» bonds under the conditions of public irrevocable offer.

Making comments on the results of obligations fulfillment on the offer, Deputy General Director – Financial Director of OJSC «CenterTelecom» Alexander Lutsky noted, that the absence of the bonds sale bids demonstrated attraction of the issue for the participants of the stock market. «As a result of the OJSC «CenterTelecom» Management activities credit quality of the Company improved and this positively reflected in upgrade of long-term credit rating of Standard&Poor's up to «B» (Outlook: «Stable») and Fitch Ratings Outlook from «Stable» to «Positive». So, we managed to strengthen the confidence of investors to the Company as a debtor. The absence of the bonds presentation for redemption under conditions of public irrevocable offer will positively influence on the Company's liquidity», - he said.

In 2001-2006 OJSC «CenterTelecom» placed 5 bonded debts to the total amount of 11.823 billion rubles, three of which to the total amount of 3.2 billion rubles have already been redeemed. At the moment there are two largest debts of the Company in circulation: series 04 bonds with total par value of 5.6 billion rubles and series 05 - 3 billion rubles. Besides that, in Q4 2006 USD115 million international loan for 4 years with the further issue of CLN has been made.

FOR REFERENCE:

Interest-bearing documentary non-convertible series 04 bearer bonds to be centrally kept with a custodian:

- State registration number of the issue 4-19-00194-A dated June 29, 2004;
- Value of the issue is 5 622 595 thousand rubles;
- Maturity period is 5 years;
- Placement took place at the Moscow Interbank Currency Exchange (MICEX) on August 17 – 31, 2004;
- Main organizer and underwriter of the issue is OJSC JSCB «ROSBANK»;
- Coupon period is six months. The first coupon rate defined on the first day of the Bonds placement (August 17, 2004), according to the results of the MICEX tender, made 13.8% per annum. The rates of the following 9 coupons are equal to the rate of the first one;
- Maturity date is August 21, 2009.

Board of Directors of OJSC «CenterTelecom» made decision to announce public irrevocable offer on acquisition of interest-bearing documentary non-convertible series 04 bearer bonds to be centrally kept with a custodian on August 9, 2004 (Minutes №5 dated August 10, 2004).

According to the terms and conditions of the Offer:

- Date of the bonds acquisition: November 16, 2006;
- Period of bonds presentation for redemption: from October 19, 2006 to November 9, 2006;
- The price of the bonds acquisition is defined to be the total of two values: 100% of the Bonds par value (1 000 rubles).

Accrued coupon yield on the bonds, calculated on the acquisition date under the offer in correspondence with the procedure defined by the Decision on Securities Issue and Prospectus approved by the Board of Directors of OJSC «CenterTelecom» on April 28, 2004 (Minutes № 33 dated May 5, 2004), made 33.65 rubles as of November 16, 2006.

Joint-Stock Commercial Bank «ROSBANK» (Open joint-Stock Company) (OJSC JSCB «ROSBANK») acted as agent on the Bonds acquisition.
