As well as differentiating ourselves through our vast product offering, Univar also provides a number of related services, both to its customers and suppliers, such as blending, managing customer inventories, packaging, labeling, warehouse management, waste management, technical support and managing vendor reduction programs. Univar operates a network of 163 distribution centers, spread across the United States, Canada and 18 European countries. In 2005, Univar generated net sales of USD 6.0 billion and operating income (EBIT) of USD 207.7 million. Univar has approximately 6,700 employees based throughout North America and Europe.
