- PROPOSED SHARE SPLIT; AND

- PROPOSED AMENDMENTS TO THE MEMORANDUM AND ARTICLES OF ASSOCIATION

* Contents :-

1. INTRODUCTION

On behalf of Resorts World's Board of Directors ("Board"), CIMB Investment Bank Berhad (*formerly known as Commerce International Merchant Bankers Berhad*) ("CIMB") wishes to announce that Resorts World proposes to implement the following:

- (i) a share split involving the subdivision of each of the existing ordinary shares of RM0.50 each in Resorts World ("Resorts World Shares") into 5 ordinary shares of RM0.10 each in Resorts World ("Split Shares") ("Proposed Share Split"); and
- (ii) amendment to certain provisions of Resorts World's Memorandum and Articles of Association to facilitate the Proposed Share Split ("Proposed M&A Amendments")

(collectively, the "Proposals").

2. DETAILS OF THE PROPOSED SHARE SPLIT

2.1 Resorts World proposes to implement a share split involving the subdivision of each of the Resorts World Shares, held by Resorts World's shareholders whose names appear in Resorts World's Register of Members at the close of business on a date to be determined later by the Board, into 5 Split Shares.

2.2 As at 31 December 2006, the issued and paid-up share capital of Resorts World is RM547.3 million comprising 1,094.6 million Resorts World Shares. Upon completion of the Proposed Share Split, the issued and paid-up share capital of Resorts World would be RM547.3 million comprising 5,472.9 million Split Shares.

2.3 The Split Shares shall, upon allotment and issue, rank equal in all respects with each other.

3. RATIONALE FOR THE PROPOSED SHARE SPLIT

While the Proposed Share Split will not have any direct impact on Resorts World's market capitalisation, it will reduce the market price of Resorts World Shares immediately to one-fifth of the market price before the Proposed Share Split, hence allowing investors to trade each Resorts World Share at a lower price. The Proposed Share Split will enable Resorts World's shareholders to have a larger number of ordinary shares in Resorts World while maintaining their percentage of equity interest in Resorts World.

4. EFFECTS OF THE PROPOSED SHARE SPLIT

The proforma effects of the Proposed Share Split on Resorts World's issued and paid-up share capital, shares to be issued upon full conversion of existing convertible notes in Resorts World, shares to be issued under the Executive Share Option Scheme for eligible executives of Resorts World and its subsidiaries ("ESOS"), net assets per share and earnings per share are set out in Table 1.

5. CONDITIONALITY

The Proposed Share Split and Proposed M&A Amendments are inter-conditional.

6. APPROVALS REQUIRED

The Proposals are subject to and conditional upon approvals being obtained from the following:

- (i) the Securities Commission ("SC"), for the Proposed Share Split;
- (ii) Bursa Malaysia Securities Berhad ("Bursa Securities"), for the following:
 - (a) the Proposed Share Split; and
 - (b) the listing of and quotation for the new Split Shares to be issued under the Proposed Share Split on the Main Board of Bursa Securities; and
- (iii) shareholders of Resorts World, for the Proposals at an extraordinary general meeting to be convened.

Resorts World expects to submit the applications to the SC and Bursa Securities in relation to the Proposed Share Split within a month from the date of this announcement.

7. ADVISER

Resorts World has appointed CIMB as the Adviser for the Proposals.

This announcement is dated 15 January 2007.
