4 **Capital Reduction and consequent Amendment to Article 5 of the Articles of Association**

Proposal

As announced in connection with the second share buy-back program of CHF 3 billion, launched on November 17, 2005, the Board of Directors proposes, in order to conclude such program, to reduce the share capital by CHF 7 663 200 through the cancellation of 7 663 200 registered shares with a nominal value of CHF 1 each. Consequently, Article 5 of the Articles of Association of the Company will be amended as follows:

Article 5 Share capital

The share capital is CHF 393 072 500 (CHF three hundred ninety three million and seventy two thousand five hundred) divided into 393 072 500 fully paid up registered shares having a nominal value of CHF 1 each.

Explanation

Nestlé S.A. completed its second share buy-back program by October 20, 2006 with the repurchase of 7 663 200 shares at an average price of CHF 391.36 per share on its second trading line on virt-x. The second buy-back program was announced in light of continued strong cash-flow, solid triple A rating and absence of major acquisitions.

Nestlé also still holds 4 766 300 "reserve shares", which were issued by resolution of the Annual General Meeting in 1989 to cover conversion or option rights resulting from future bond issues, or to be used for other purposes in the interests of the Company as decided by the Board of Directors. The "reserve shares" were paid up at their nominal value, but never allotted at market price.

To reduce the share capital, the Board proposes to cancel (i) these 4 766 300 "reserve shares", and (ii) 2 896 900 of the shares repurchased on the second trading line. The share capital in Article 5 of the Articles of Association will be reduced accordingly. The remaining 4 766 300 shares bought back on the second trading line will be used for the purpose of hedging Nestlé Group remuneration plans in Nestlé S.A. shares and options thereon.

In a special audit report for the Annual General Meeting, the Auditors KPMG Klynveld Peat Marwick Goerdeler S.A. have confirmed that the claims of the creditors are fully covered even after the capital reduction.

The capital reduction by cancellation of shares can only be accomplished, in particular, after publication of the notice to creditors in accordance with article 733 of the Swiss Code of Obligations. Such notice to creditors will be published after the Annual General Meeting in the Swiss Official Commercial Gazette.

5 **Re-elections to the Board of Directors**

Proposal

Individual re-elections of Mr. Peter Brabeck-Letmathe (for the term stated in the Articles of Association, i.e. five years) and Mr. Edward George (for a term of four years).

Explanation

The Board proposes the individual re-election of Mr. Peter Brabeck-Letmathe, Austrian, born 1944, Chairman and CEO of Nestlé S.A., and of Mr. Edward George (Lord George), British, born 1938, former Governor of the Bank of England.

Mr. Brabeck-Letmathe, who joined Nestlé in 1968, serves as Chief Executive Officer (Administrateur délégué) of Nestlé S.A. since 1997, assumed the office of Vice-Chairman of the Board in 2001 and is since 2005 the Chairman of Nestlé S.A. He has already announced his intention to step down as Chief Executive Officer following the 2008 Annual General Meeting.

Lord George is up for re-election the first time and has during his first term of office made very valuable contributions to the Company as a member of the Board and by serving in several Board Committees. Lord George's re-election is proposed for a term of four years, in line with the age limit (of 72) foreseen for Directors in the Board Regulations.
