Flughafen Wien AG:

Clarification of latest media reports on Antalya

SUPPL

Flughafen Wien AG (FWAG) would like to note the following: The following part of the statement circulated in certain media relating to the exclusion from the tender for the concession to operate the three terminals at Antalya Airport: "... we would carry the value of the tender over \$ 4 billion if we could continue bargaining talks," were not made by FWAG. Neither this statement nor this figure comes from FWAG.
