Forward looking statement

Any statement contained in this presentation that refers to Actavis' estimated or anticipated future results or future activities are forward-looking statements which reflect the Company's current analysis of existing trends, information and plans. These forward-looking statements are subject to a number of risks and uncertainties that could cause actual results to differ materially depending on factors such as the availability of resources, the timing and effect of regulatory actions, the success of new products, the strength of competition, the success of research and development issues, unexpected contract breaches or terminations, exposure to product liability and other lawsuits, the effect of currency fluctuations and other factors. Actavis does not undertake the obligation to update or alter these forward-looking statements beyond its duties as an issuer of listed securities on the Iceland Stock Exchange.
