Oerlikon (SWX: OERL) is among the world's most successful industrial high-tech companies focusing on machine and systems engineering. Oerlikon stands for leading industrial solutions and cutting-edge technology in textile production, thin film coating, propulsion, precision and vacuum technology. As a company with Swiss roots and a 100-year tradition, Oerlikon, with CHF 4.8 billion in sales, over 19,000 employees at 170 locations in 35 countries, has evolved into a global player today. The group is ranked first or second in each of its respective markets. Oerlikon's share price trebled in 2006 and its market capitalization exceeded the CHF 8.5 billion mark, which led to the company's inclusion in the European STOXX 600 index. Oerlikon was the best performing stock of the year 2006.*
