COBHAM SECURES £9M CONTRACT EXTENSION FOR CYPRUS OPERATION

Cobham plc ('Cobham') is pleased to announce that Cobham Flight Operations and Services joint venture, FB Heliservices (FBH), has secured a £9m contract extension to provide helicopters and support to British Forces Cyprus and the Sovereign Base Areas Administration. Following a successful first four years of operation, the UK Ministry of Defence has exercised options to extend the contract until 31 March 2010. The contract was originally won under competition in 2002.

Under the contract, FBH provides four highly modified COMR (Civil Owned Military Registered) Bell 412EP helicopters together with associated engineering and logistics support. The helicopters provide a wide range of services including Search and Rescue, Casualty/Medical Evacuation (CASEVAC/MEDIVAC), Fire Fighting and Passenger/Troop/Freight Carriage. The helicopters are also used to support overseas training exercises.

Allan Cook, Cobham's Chief Executive, commented:

"I am pleased that we have been able to extend our relationship with the UK MoD to operate and support four aircraft in Cyprus. FB Heliservices has secured more than £70m of orders this year, consolidating its position as a trusted, leading supplier in the helicopter provision and support services market."

NOTES

Cobham plc is an international company engaged in the development, delivery and support of advanced aerospace and defence systems for land, sea and air platforms. The company has five technology divisions and one in the service sector that collectively specialise in the provision of components, subsystems and services that keep people safe, improve communications and enhance the performance of aerospace and defence platforms.

Cobham Flight Operations & Services operates more than 150 fixed and rotary wing aircraft around the world. It operates the largest civil maritime surveillance contract in the world, covering more than 37,000km of coastline, and trains all UK helicopter pilots for the Navy, Air Force and Army. The group provides modern battlespace air warfare training and essential flight inspection services for

including the Nimrod MRA2, R1 and Sentry E3-D fleets, and operates a fleet of aircraft providing passenger and freight services.

FB Heliservices (FBH) is a joint venture between Bristow and aerospace and defence specialist, Cobham plc. FBH provides all the helicopters for the Defence Helicopter Flying School and trains more than 220 aircrew each year for the RAF, Royal Navy and Army in the UK, Belize and Brunei. It also provides a search and rescue capability in Cyprus and search and rescue training at RAF Valley in North Wales.
