RE: DAIRI PROJECT UPDATE

As previously advised, the Company is awaiting forestry approval in order to proceed to full construction activity at the Dairi project. The Minister of Forestry had previously asked Commission IV, a 50-member committee of the Indonesian national parliament, to give their comments in relation to granting of the forestry approval.

Commission IV have now recommended that the Minister of Forestry consider granting forestry approval for the Project. This Commission IV recommendation will be officially presented at a parliamentary working session between Commission IV and the Minister of Forestry. The session is expected to be held in early June, at which time the Minister shall give his response.

Yours faithfully

MICHAEL P WRIGHT
Executive Director
