## Sale of Soft drinks business for €249 million

**Dublin, London, May 14, 2007:** C&C Group plc ('C&C' or the 'Group'), a leading manufacturer, marketer and distributor of branded beverages in Ireland and the UK, today announced that it has entered into an agreement to sell its soft drinks division and related assets (Republic of Ireland distribution wholesaling) to Britvic plc ('Britvic') for a consideration of €249.2 million, payable in cash upon completion. Subject to Competition Authority approval, completion of the sale is expected to occur before 31 August 2007.

The Group's soft drinks division comprises some of Ireland's leading beverage brands including Club soft drinks and Ballygowan bottled water. The division also includes franchises within the Irish market for 7UP and Pepsi soft drinks.

For the year ended 28 February 2007, the Soft Drinks division and related business generated revenue of €269.9 million while profits directly attributable to the assets were €15.6million. Operating profits reported within C&C's segmental analysis for the year ended 28 February 2007 (inclusive of central costs) were €13.0m and a restatement showing the impact of the disposal is attached. The gross assets of the Soft drinks and related businesses at 28 February 2007 amounted to €151m.

C&C intends to apply €150m of the proceeds to increase its previously announced on-market share buy-back programme to €300m. The balance of the proceeds will be used for general corporate purposes.

Maurice Pratt, Chief Executive of C&C, commented: "The Board of C&C is pleased to announce its agreement to sell our soft drinks business to Britvic. The price realised for the business recognises the value of its iconic brands and strong position in the Irish beverage market. Following this disposal, the Group has a sharper business focus and will continue to capitalise on the exciting growth potential presented by our Cider and Spirits & Liqueurs brand portfolio."
