News Release

CV Technologies Provides Financial Update

For Release: Immediate

EDMONTON, AB (May 31, 2007) CV Technologies Inc. (TSX:CVQ) advises that it continues to work diligently to complete the restatement of its previously reported consolidated financial statements for the year ended September 30, 2006 and for the three month period ending Dec. 31, 2006.

Because the interim financial statements for the three month period ending March 31, 2007 require the restated consolidated financial statements, the Company was unable to file the fiscal 2007 second quarter interim financial statements by the May 15 deadline. As a result, the British Columbia Securities Commission has imposed a Cease Trade Order, following the earlier Orders by the Ontario and Alberta Securities Commissions (ASC).

CV Technologies is working towards the release of its interim financial statements for the period ending March 31, 2007 along with the restated consolidated financial statements prior to the June 15, 2007 deadline specified in the ASC Cease Trade Order.
