## **Skanska secures two U.S. contracts totaling approximately SEK 1,2 billion, USD 169 M**

Skanska has been awarded two construction management assignments in the U.S. The contracts total USD 169 M, SEK 1,175 M, which will be included in second-quarter order bookings.

*The largest contract amounts to USD 118 M, about SEK 820 M, and relates to the expansion of a two-story shopping center with a parking facility seven stories below ground level.*

Skanska is already constructing the first phase of the project. This contract totals USD 132 M, about SEK 915 M. Both phases are *scheduled for completion in September 2009.*

The second new contract is for an office complex. The contract amounts to USD 51 M, about SEK 355 M.

*The assignment involves two seven-story buildings totaling 37,000 square meters, including underground parking facilities.*

Work has commenced and the project is scheduled to be completed in April 2008.

Skanska USA Building is a leading national and local provider of construction, pre-construction consulting, general contracting and design-build services to a broad range of US industries, including life sciences, healthcare, education, high-tech, electronics, infrastructure, sports and entertainment. Skanska USA Building also provides pharmaceutical validation services to clients. The company is headquartered in Parsippany, New Jersey, and has approximately 3,700 employees. *The company reported sales in 2006 of about SEK 30 billion.*
