ANNOUNCEMENT

The Court of Justice of the European Communities has issued a decision upon case C-399/05 concerning a complaint about alleged breach of Community Law on public procurements by PPC SA, relating to the Tender for the supply and installation of Unit 5 of the Lavrion Thermal Power Plant.

The Court's decision dismisses the European Commission's action on all parts and more specifically:

- about the acceptance by PPC of a bid submitted by the consortium AEGEK-AKTOR, judging that AEGEK met the condition of participation as «consortium leader»
- about the validity of the bid for the long-term maintenance by METKA of the gas-turbine of the Unit in question, on behalf of «General Electric».
