I hereby inform you that as at 24-July-07 Barclays Global Investors, through the legal entities listed in the enclosed notification, held 5.07 % of the total voting rights attaching to shares in your

Full details of our interest are set out in the attached notification.

As you will be aware, following the implementation of the Transparency Directive in the UK, the requirements for the notification of major shareholdings have changed. The obligation to notify is now based upon control over the exercise of voting rights attached to shares and financial instruments rather than "interests in shares". Additionally we now have the opportunity to disaggregate certain holdings held for the benefit of clients from our notification.

The result of these changes is that the interest set out in this notification may be inconsistent with previous disclosures made to you but will be the basis of notifications going forward.

In order to get notifications to you as quickly as possible, we would like to send future notifications electronically. If you are in agreement with this, will you please provide me with the appropriate e-mail address we should use.

If you have any questions arising from this notification, please contact me on 020 7116 2913.

Yours faithfully
