**British health care reform: New consultation process begins 6 September 2007**

The British Department of Health has announced that a new consultation process will be carried through in the period 6 September – 29 November 2007 on revised proposals relating to the arrangements for the provision of stoma and incontinence appliances and related services to Primary Care.

The consultation document will be published on 6 September 2007 and will be available on the Department of Health's website during the course of that day on [www.dh.gov.uk/liveconsultations](http://www.dh.gov.uk/liveconsultations).

Due to the timing of the consultation process, Coloplast does not anticipate any changes to the current arrangement before 2008, which is in line with the company's previous updates regarding the British health care reform.

Coloplast expects to issue an announcement with a summary of the consultation document shortly after this has been published.

Executive Vice President, CFO

## **Coloplast pays DKK 30 million bonus to mark anniversary**

Coloplast marks its 50<sup>th</sup> anniversary on 4 September 2007. On this occasion we will grant a special bonus to more than 7,000 employees in 34 countries. The bonus will vary depending on national pay levels. For example, Danish employees will receive DKK 5,000 each. The total bonus cost of DKK 30 million will be expensed under "Separate items" and thus included in the operating profit for the current financial year.

The anniversary bonus will not change our guidance for the 2006/07 financial year of around 10% organic growth in local currencies and an EBIT margin of 12 - 13%.

"The commitment of our employees and their ability to respond to our customers' needs have been essential for the success enjoyed by Coloplast," says Coloplast's President and CEO Sten Scheibye. "It's a great pleasure for me to be able to thank them for their efforts by announcing this bonus."

Sten Scheibye  
President, CEO
