xiv If the financial instrument has such a period-please specify the period- for example once every three months starting from the [date]

xv The notification should include the name(s) of the controlled undertakings through which the voting rights are held. The notification should also include the amount of voting rights and the percentage held by each controlled undertaking, insofar as individually the controlled undertaking holds 3% or more, and insofar as the notification by the parent undertaking is intended to cover the notification obligations of the controlled undertaking.

xvi This annex is only to be filed with the competent authority.

xvii Whenever another person makes the notification on behalf of the shareholder or the natural person/legal entity referred to in DTR5.2 and DTR5.3.

Fiberweb plc Trading Update

Trading in the second half to-date has been generally weaker than expected. Margins in the Americas Industrial business have not yet recovered as expected and we have experienced shortfalls in volume in the hygiene businesses as well as suffering sales weakness in the industrial business in Brazil.

Consequently, Fiberweb now expects performance for 2007 to fall short of its previous expectations. The impact of the trading issues is expected to amount to up to £8m. In response, margin improvement programmes are being accelerated, though no further line or site closures are currently anticipated during the remainder of the year.

There will be a conference call being held for analysts and investors at 09.00am today. Please contact Weber Shandwick Financial for the dial in details on 020 7067 0700.
